

## Assembly Bill No. 1584

### CHAPTER 360

An act to amend Sections 798.56, 2924.15, and 4741 of, and to add Section 714.3 to, the Civil Code, to amend Section 1161.2 of the Code of Civil Procedure, to amend Sections 65589.5, 65651, 65863.10, and 65863.11 of the Government Code, and to amend Section 18214 of, and to add Section 34178.8 to, the Health and Safety Code, relating to housing.

[Approved by Governor September 28, 2021. Filed with  
Secretary of State September 28, 2021.]

#### LEGISLATIVE COUNSEL'S DIGEST

AB 1584, Committee on Housing and Community Development. Housing omnibus.

(1) Existing law, the Planning and Zoning Law, authorizes a local agency to provide for the creation of accessory dwelling units in single-family and multifamily residential zones by ordinance, and sets forth standards the ordinance is required to impose with respect to certain matters, including, among others, maximum unit size, parking, and height standards. Existing law authorizes a local agency to provide by ordinance for the creation of junior accessory dwelling units, as defined, in single-family residential zones and requires the ordinance to include, among other things, standards for the creation of a junior accessory dwelling unit, required deed restrictions, and occupancy requirements.

Existing law, the Davis-Stirling Common Interest Development Act, which governs the management and operation of common interest developments, makes void and unenforceable any covenant, restriction, or condition contained in any deed, contract, security instrument, or other instrument affecting the transfer or sale of any interest in a planned development, and any provision of a governing document, that effectively prohibits or unreasonably restricts the construction or use of an accessory dwelling unit or junior accessory dwelling unit on a lot zoned for single-family residential use that meets the above-described minimum standards established for those units. However, the Davis-Stirling Common Interest Development Act permits reasonable restrictions that do not unreasonably increase the cost to construct, effectively prohibit the construction of, or extinguish the ability to otherwise construct, an accessory dwelling unit or junior accessory dwelling unit consistent with those aforementioned minimum standards provisions.

This bill would make void and unenforceable any covenant, restriction, or condition contained in any deed, contract, security instrument, or other instrument affecting the transfer or sale of any interest in real property that either effectively prohibits or unreasonably restricts the construction or use

of an accessory dwelling unit or junior accessory dwelling unit on a lot zoned for single-family residential use that meets the above-described minimum standards established for those units, but would permit reasonable restrictions that do not unreasonably increase the cost to construct, effectively prohibit the construction of, or extinguish the ability to otherwise construct, an accessory dwelling unit or junior accessory dwelling unit consistent with those aforementioned minimum standards provisions.

The Davis-Stirling Common Interest Development Act prohibits a common interest development from adopting or enforcing a provision in a governing document, or amendment to a governing document, that restricts the rental or lease of separate interests within a common interest to less than 25 percent of the separate interests. The act requires a common interest development to comply with the prohibition on rental restrictions regardless of whether the common interest development has revised its governing documents to comply with the act and requires a common interest development to amend its governing documents no later than December 31, 2021.

This bill would require the common interest development board, without approval of the members, to amend any declaration or other governing document no later than July 1, 2022, that includes a prohibited restrictive covenant, as provided. The bill would require a board to provide general notice of the amendment at least 28 days before approving the amendment and would require any decision on the amendment to be made at a board meeting, after consideration of any comments made by association members.

(2) Existing law, the Mobilehome Residency Law, requires the management of a mobilehome park to comply with notice and specified other requirements in order to terminate a tenancy in a mobilehome park due to a change of use of the mobilehome park, including giving homeowners at least 15 days' written notice that the management will be appearing before a local governmental board, commission, or body to request permits for the change of use.

This bill would instead require the management to give homeowners at least 60 days' written notice that the management will be appearing before a local governmental board, commission, or body to obtain local approval for the intended change of use of the mobilehome park.

(3) Existing law prescribes various requirements to be satisfied before the exercise of a power of sale under a mortgage or deed of trust. In this regard, existing law requires that a notice of default and a notice of sale be recorded and that specified periods of time elapse between the recording and the sale. Existing law establishes certain requirements in connection with foreclosures on mortgages and deeds of trust, including restrictions on the actions mortgage servicers may take while a borrower is attempting to secure a loan modification or has submitted a loan modification application. Existing law, until January 1, 2023, applies those protections to a first lien mortgage or deed of trust that is secured by residential real property that is occupied by a tenant, contains no more than 4 dwelling units, and meets

certain criteria, including that a tenant occupying the property is unable to pay rent due to a reduction in income resulting from COVID-19.

This bill, commencing January 1, 2023, would limit the extension of those protections to the above-described first lien mortgages and deeds of trust to instances in which the borrower has been approved for foreclosure prevention, as specified, or the borrower submitted a completed application for a first lien loan modification before January 1, 2023, and, as of January 1, 2023, either the mortgage servicer has not yet determined whether the applicant is eligible, or the appeal period for the mortgage servicer's denial of the application has not yet expired.

(4) Existing law requires the court clerk to allow access to limited civil case records filed, including the court file, index, and register of actions, under specified provisions relating to real property proceedings, if specified provisions are met, including to any other person 60 days after the complaint has been filed if the plaintiff prevails in the action within 60 days of the filing of the complaint, as specified.

This bill would instead require access to be provided to any other person 60 days after the complaint has been filed if judgment against all defendants has been entered for the plaintiff within 60 days of the filing of the complaint, as specified.

(5) Existing law, the Housing Accountability Act, which is part of the Planning and Zoning Law, among other things prohibits a local agency from disapproving a housing development project that complies with applicable, objective general plan, zoning, and subdivision standards and criteria, or from imposing a condition that it be developed at a lower density, unless the local agency bases its decision on written findings supported by the preponderance of the evidence on the record that specified conditions exist, as provided. Existing law provides that the receipt of a density bonus pursuant to specified law, known as the Density Bonus Law, is not a valid basis on which to find a proposed housing development project is inconsistent, not in compliance, or not in conformity, with an applicable plan, program, policy, ordinance, standard, requirement, or other similar provision for purposes of the Housing Accountability Act.

This bill would additionally provide that the receipt of an incentive, concession, waiver, or reduction of development standards under the Density Bonus Law is not a valid basis on which to find a proposed housing development project is inconsistent, not in compliance, or not in conformity, with an applicable plan, program, policy, ordinance, standard, requirement, or other similar provision for purposes of the Housing Accountability Act. The bill would include findings that this change is declaratory of existing law.

Under existing law, supportive housing, as defined, is a use by right in zones where multifamily and mixed uses are permitted if the proposed housing development meets specified criteria, including a requirement that 100% of the units, excluding managers' units, within the development be dedicated to lower income households, as defined, and that the development

is receiving public funding to ensure affordability of the housing to lower income Californians.

This bill would require that rents in a development allowed under these provisions be set at an amount consistent with the rent limits stipulated by the public program providing financing for the development.

(6) Existing law requires an owner of an assisted housing development, as defined, to give notice at least 12 months prior to the anticipated date of the termination of a subsidy contract, the expiration of rental restrictions, or prepayment on an assisted housing development, to tenants and specified public entities, except as provided. Existing law requires specified information to be provided in the notice to tenants, including a statement of the possibility that the housing may remain in the federal or other program after the proposed date of subsidy termination or prepayment. Existing law prohibits an owner from terminating a subsidy contract or prepayment of a mortgage unless the owner or its agent has provided qualified entities an opportunity to submit an offer to purchase the development.

Existing law specifies requirements of an owner as to receipt and acceptance of a bona fide offer, including that if an owner has received a bona fide offer from a qualified entity within the first 180 days from the date of an owner's notice of the opportunity to submit an offer to purchase, the owner is prohibited from accepting an offer from another entity and is required to accept the offer, or declare, in writing, to the qualified entity and the Department of Housing and Community Development that it will not sell the property for at least five years from the date of the declaration. Existing law authorizes the owner to, within a second 180-day period, accept an offer from a nonqualified entity, provided the owner offers each qualified entity that made a bona fide offer to purchase the development the first opportunity to purchase the development at the same terms and conditions as the pending offer, unless the terms and conditions are modified by mutual consent.

Existing law, among other things, requires the Department of Housing and Community Development to monitor compliance with the above-described provisions by owners of assisted housing developments and to provide a report to the Legislature on or before March 31, 2019, and on or before March 31 each year thereafter containing specified information for the previous year.

This bill would define an assisted housing development to consist of five or more units and would add a definition for an "owner." The bill would revise the statement required to be made to tenants regarding whether or not the applicable federal or other program allows the owner to elect to keep the housing in the program after the proposed termination or prepayment date. The bill would specify that the owner may receive offers from one or more entities and would require the owner to notify the Department of Housing and Community Development of the offers and either accept a bona fide offer to purchase from a qualified entity or declare, in writing, to the qualified entity or entities and the department that, if the property is not sold during the first 180-day period or the second 180-day period, the owner

will not sell the property for at least five years after the end of the second 180-day period. The bill would make conforming changes. The bill would instead require the Department of Housing and Community Development to submit the above-described report on or before December 31 of each year, and instead require that the information included in that report be for the previous fiscal year, except that the bill would require that the report due December 31, 2022, include information for the 18 months from January 1, 2021, to June 30, 2022, inclusive. The bill would authorize the department to combine this report with another report required under specified law relating to the department's administration of housing programs.

(7) Existing law, the Mobilehome Parks Act, sets forth regulations and enforcement standards for mobilehome parks. Under the act, a mobilehome park is defined as any area or tract of land where 2 or more lots are rented or leased, held out for rent or lease, or were formerly held out for rent or lease and later converted to a subdivision, cooperative, condominium, or other form of resident ownership, to accommodate manufactured homes, mobilehomes, or recreational vehicles used for human habitation, except as provided. Existing law also provides that the rental paid for a manufactured home, a mobilehome, or a recreational vehicle includes rental for the lot it occupies.

This bill would provide that an area or tract of land is not a mobilehome park due to the rental or lease of an accessory dwelling unit created by use of a manufactured home.

(8) Existing law dissolved redevelopment agencies and the redevelopment components of community development agencies as of February 1, 2012, and provides for the designation of successor agencies for specified purposes. Existing law authorizes a city or county that created a subsequently dissolved redevelopment agency to elect to retain the housing assets and functions previously performed by the agency, which entity is referred to as a housing successor. When a redevelopment project is developed with low- or moderate-income housing units, existing law requires that housing be made available for rent or purchase to persons and families of low or moderate income who were displaced by the project, as specified.

This bill would specify that a redevelopment agency's successor is required to offer displaced persons and families the opportunity to rent or purchase in housing projects, as described above. The bill would further require that the opportunity to rent or purchase also be extended to a person of low or moderate income whose parent was displaced by the redevelopment project and would require the housing successor to maintain a list of people who are eligible for this priority. The bill would prescribe a definition of "descendant" for these purposes. The bill would make conforming changes. By requiring local officials to perform additional duties, this bill would impose a state-mandated local program.

(9) This bill would incorporate additional changes to Section 65589.5 of the Government Code proposed by SB 8 to be operative only if this bill and SB 8 are enacted and this bill is enacted last.

(10) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

*The people of the State of California do enact as follows:*

SECTION 1. Section 714.3 is added to the Civil Code, to read:

714.3. (a) Any covenant, restriction, or condition contained in any deed, contract, security instrument, or other instrument affecting the transfer or sale of any interest in real property that either effectively prohibits or unreasonably restricts the construction or use of an accessory dwelling unit or junior accessory dwelling unit on a lot zoned for single-family residential use that meets the requirements of Section 65852.2 or 65852.22 of the Government Code is void and unenforceable.

(b) This section does not apply to provisions that impose reasonable restrictions on accessory dwelling units or junior accessory dwelling units. For purposes of this subdivision, “reasonable restrictions” means restrictions that do not unreasonably increase the cost to construct, effectively prohibit the construction of, or extinguish the ability to otherwise construct, an accessory dwelling unit or junior accessory dwelling unit consistent with the provisions of Section 65852.2 or 65852.22 of the Government Code.

SEC. 2. Section 798.56 of the Civil Code, as amended by Section 4 of Chapter 37 of the Statutes of 2020, is amended to read:

798.56. A tenancy shall be terminated by the management only for one or more of the following reasons:

(a) Failure of the homeowner or resident to comply with a local ordinance or state law or regulation relating to mobilehomes within a reasonable time after the homeowner receives a notice of noncompliance from the appropriate governmental agency.

(b) Conduct by the homeowner or resident, upon the park premises, that constitutes a substantial annoyance to other homeowners or residents.

(c) (1) Conviction of the homeowner or resident for prostitution, for a violation of subdivision (d) of Section 243, paragraph (2) of subdivision (a), or subdivision (b), of Section 245, Section 288, or Section 451, of the Penal Code, or a felony controlled substance offense, if the act resulting in the conviction was committed anywhere on the premises of the mobilehome park, including, but not limited to, within the homeowner’s mobilehome.

(2) However, the tenancy may not be terminated for the reason specified in this subdivision if the person convicted of the offense has permanently vacated, and does not subsequently reoccupy, the mobilehome.

(d) Failure of the homeowner or resident to comply with a reasonable rule or regulation of the park that is part of the rental agreement or any amendment thereto.

No act or omission of the homeowner or resident shall constitute a failure to comply with a reasonable rule or regulation unless and until the management has given the homeowner written notice of the alleged rule or regulation violation and the homeowner or resident has failed to adhere to the rule or regulation within seven days. However, if a homeowner has been given a written notice of an alleged violation of the same rule or regulation on three or more occasions within a 12-month period after the homeowner or resident has violated that rule or regulation, no written notice shall be required for a subsequent violation of the same rule or regulation.

Nothing in this subdivision shall relieve the management from its obligation to demonstrate that a rule or regulation has in fact been violated.

(e) (1) Except as provided for in the COVID-19 Tenant Relief Act of 2020 (Chapter 5 (commencing with Section 1179.01) of Title 3 of Part 3 of the Code of Civil Procedure), nonpayment of rent, utility charges, or reasonable incidental service charges; provided that the amount due has been unpaid for a period of at least five days from its due date, and provided that the homeowner shall be given a three-day written notice subsequent to that five-day period to pay the amount due or to vacate the tenancy. For purposes of this subdivision, the five-day period does not include the date the payment is due. The three-day written notice shall be given to the homeowner in the manner prescribed by Section 1162 of the Code of Civil Procedure. A copy of this notice shall be sent to the persons or entities specified in subdivision (b) of Section 798.55 within 10 days after notice is delivered to the homeowner. If the homeowner cures the default, the notice need not be sent. The notice may be given at the same time as the 60 days' notice required for termination of the tenancy. A three-day notice given pursuant to this subdivision shall contain the following provisions printed in at least 12-point boldface type at the top of the notice, with the appropriate number written in the blank:

“Warning: This notice is the (insert number) three-day notice for nonpayment of rent, utility charges, or other reasonable incidental services that has been served upon you in the last 12 months. Pursuant to Civil Code Section 798.56 (e) (5), if you have been given a three-day notice to either pay rent, utility charges, or other reasonable incidental services or to vacate your tenancy on three or more occasions within a 12-month period, management is not required to give you a further three-day period to pay rent or vacate the tenancy before your tenancy can be terminated.”

(2) Payment by the homeowner prior to the expiration of the three-day notice period shall cure a default under this subdivision. If the homeowner does not pay prior to the expiration of the three-day notice period, the homeowner shall remain liable for all payments due up until the time the tenancy is vacated.

(3) Payment by the legal owner, as defined in Section 18005.8 of the Health and Safety Code, any junior lienholder, as defined in Section 18005.3

of the Health and Safety Code, or the registered owner, as defined in Section 18009.5 of the Health and Safety Code, if other than the homeowner, on behalf of the homeowner prior to the expiration of 30 calendar days following the mailing of the notice to the legal owner, each junior lienholder, and the registered owner provided in subdivision (b) of Section 798.55, shall cure a default under this subdivision with respect to that payment.

(4) Cure of a default of rent, utility charges, or reasonable incidental service charges by the legal owner, any junior lienholder, or the registered owner, if other than the homeowner, as provided by this subdivision, may not be exercised more than twice during a 12-month period.

(5) If a homeowner has been given a three-day notice to pay the amount due or to vacate the tenancy on three or more occasions within the preceding 12-month period and each notice includes the provisions specified in paragraph (1), no written three-day notice shall be required in the case of a subsequent nonpayment of rent, utility charges, or reasonable incidental service charges.

In that event, the management shall give written notice to the homeowner in the manner prescribed by Section 1162 of the Code of Civil Procedure to remove the mobilehome from the park within a period of not less than 60 days, which period shall be specified in the notice. A copy of this notice shall be sent to the legal owner, each junior lienholder, and the registered owner of the mobilehome, if other than the homeowner, as specified in paragraph (b) of Section 798.55, by certified or registered mail, return receipt requested, within 10 days after notice is sent to the homeowner.

(6) When a copy of the 60 days' notice described in paragraph (5) is sent to the legal owner, each junior lienholder, and the registered owner of the mobilehome, if other than the homeowner, the default may be cured by any of them on behalf of the homeowner prior to the expiration of 30 calendar days following the mailing of the notice, if all of the following conditions exist:

(A) A copy of a three-day notice sent pursuant to subdivision (b) of Section 798.55 to a homeowner for the nonpayment of rent, utility charges, or reasonable incidental service charges was not sent to the legal owner, junior lienholder, or registered owner, of the mobilehome, if other than the homeowner, during the preceding 12-month period.

(B) The legal owner, junior lienholder, or registered owner of the mobilehome, if other than the homeowner, has not previously cured a default of the homeowner during the preceding 12-month period.

(C) The legal owner, junior lienholder, or registered owner, if other than the homeowner, is not a financial institution or mobilehome dealer.

If the default is cured by the legal owner, junior lienholder, or registered owner within the 30-day period, the notice to remove the mobilehome from the park described in paragraph (5) shall be rescinded.

(f) Condemnation of the park.

(g) Change of use of the park or any portion thereof, provided:

(1) The management gives the homeowners at least 60 days' written notice that the management will be appearing before a local governmental

board, commission, or body to request permits for a change of use of the mobilehome park.

(2) (A) After all required permits requesting a change of use have been approved by the local governmental board, commission, or body, the management shall give the homeowners six months' or more written notice of termination of tenancy.

(B) If the change of use requires no local governmental permits, then notice shall be given 12 months or more prior to the management's determination that a change of use will occur. The management in the notice shall disclose and describe in detail the nature of the change of use.

(3) The management gives each proposed homeowner written notice thereof prior to the inception of the proposed homeowner's tenancy that the management is requesting a change of use before local governmental bodies or that a change of use request has been granted.

(4) The notice requirements for termination of tenancy set forth in this section and Section 798.57 shall be followed if the proposed change actually occurs.

(5) A notice of a proposed change of use given prior to January 1, 1980, that conforms to the requirements in effect at that time shall be valid. The requirements for a notice of a proposed change of use imposed by this subdivision shall be governed by the law in effect at the time the notice was given.

(h) The report required pursuant to subdivisions (b) and (i) of Section 65863.7 of the Government Code shall be given to the homeowners or residents at the same time that notice is required pursuant to subdivision (g) of this section.

(i) For purposes of this section, "financial institution" means a state or national bank, state or federal savings and loan association or credit union, or similar organization, and mobilehome dealer as defined in Section 18002.6 of the Health and Safety Code or any other organization that, as part of its usual course of business, originates, owns, or provides loan servicing for loans secured by a mobilehome.

(j) This section remain in effect until February 1, 2025, and as of that date is repealed.

SEC. 3. Section 798.56 of the Civil Code, as added by Section 5 of Chapter 37 of the Statutes of 2020, is amended to read:

798.56. A tenancy shall be terminated by the management only for one or more of the following reasons:

(a) Failure of the homeowner or resident to comply with a local ordinance or state law or regulation relating to mobilehomes within a reasonable time after the homeowner receives a notice of noncompliance from the appropriate governmental agency.

(b) Conduct by the homeowner or resident, upon the park premises, that constitutes a substantial annoyance to other homeowners or residents.

(c) (1) Conviction of the homeowner or resident for prostitution, for a violation of subdivision (d) of Section 243, paragraph (2) of subdivision (a), or subdivision (b), of Section 245, Section 288, or Section 451, of the

Penal Code, or a felony controlled substance offense, if the act resulting in the conviction was committed anywhere on the premises of the mobilehome park, including, but not limited to, within the homeowner's mobilehome.

(2) However, the tenancy may not be terminated for the reason specified in this subdivision if the person convicted of the offense has permanently vacated, and does not subsequently reoccupy, the mobilehome.

(d) Failure of the homeowner or resident to comply with a reasonable rule or regulation of the park that is part of the rental agreement or any amendment thereto.

No act or omission of the homeowner or resident shall constitute a failure to comply with a reasonable rule or regulation unless and until the management has given the homeowner written notice of the alleged rule or regulation violation and the homeowner or resident has failed to adhere to the rule or regulation within seven days. However, if a homeowner has been given a written notice of an alleged violation of the same rule or regulation on three or more occasions within a 12-month period after the homeowner or resident has violated that rule or regulation, no written notice shall be required for a subsequent violation of the same rule or regulation.

Nothing in this subdivision shall relieve the management from its obligation to demonstrate that a rule or regulation has in fact been violated.

(e) (1) Nonpayment of rent, utility charges, or reasonable incidental service charges; provided that the amount due has been unpaid for a period of at least five days from its due date, and provided that the homeowner shall be given a three-day written notice subsequent to that five-day period to pay the amount due or to vacate the tenancy. For purposes of this subdivision, the five-day period does not include the date the payment is due. The three-day written notice shall be given to the homeowner in the manner prescribed by Section 1162 of the Code of Civil Procedure. A copy of this notice shall be sent to the persons or entities specified in subdivision (b) of Section 798.55 within 10 days after notice is delivered to the homeowner. If the homeowner cures the default, the notice need not be sent. The notice may be given at the same time as the 60 days' notice required for termination of the tenancy. A three-day notice given pursuant to this subdivision shall contain the following provisions printed in at least 12-point boldface type at the top of the notice, with the appropriate number written in the blank:

“Warning: This notice is the (insert number) three-day notice for nonpayment of rent, utility charges, or other reasonable incidental services that has been served upon you in the last 12 months. Pursuant to Civil Code Section 798.56 (e) (5), if you have been given a three-day notice to either pay rent, utility charges, or other reasonable incidental services or to vacate your tenancy on three or more occasions within a 12-month period, management is not required to give you a further three-day period to pay rent or vacate the tenancy before your tenancy can be terminated.”

(2) Payment by the homeowner prior to the expiration of the three-day notice period shall cure a default under this subdivision. If the homeowner does not pay prior to the expiration of the three-day notice period, the

homeowner shall remain liable for all payments due up until the time the tenancy is vacated.

(3) Payment by the legal owner, as defined in Section 18005.8 of the Health and Safety Code, any junior lienholder, as defined in Section 18005.3 of the Health and Safety Code, or the registered owner, as defined in Section 18009.5 of the Health and Safety Code, if other than the homeowner, on behalf of the homeowner prior to the expiration of 30 calendar days following the mailing of the notice to the legal owner, each junior lienholder, and the registered owner provided in subdivision (b) of Section 798.55, shall cure a default under this subdivision with respect to that payment.

(4) Cure of a default of rent, utility charges, or reasonable incidental service charges by the legal owner, any junior lienholder, or the registered owner, if other than the homeowner, as provided by this subdivision, may not be exercised more than twice during a 12-month period.

(5) If a homeowner has been given a three-day notice to pay the amount due or to vacate the tenancy on three or more occasions within the preceding 12-month period and each notice includes the provisions specified in paragraph (1), no written three-day notice shall be required in the case of a subsequent nonpayment of rent, utility charges, or reasonable incidental service charges.

In that event, the management shall give written notice to the homeowner in the manner prescribed by Section 1162 of the Code of Civil Procedure to remove the mobilehome from the park within a period of not less than 60 days, which period shall be specified in the notice. A copy of this notice shall be sent to the legal owner, each junior lienholder, and the registered owner of the mobilehome, if other than the homeowner, as specified in paragraph (b) of Section 798.55, by certified or registered mail, return receipt requested, within 10 days after notice is sent to the homeowner.

(6) When a copy of the 60 days' notice described in paragraph (5) is sent to the legal owner, each junior lienholder, and the registered owner of the mobilehome, if other than the homeowner, the default may be cured by any of them on behalf of the homeowner prior to the expiration of 30 calendar days following the mailing of the notice, if all of the following conditions exist:

(A) A copy of a three-day notice sent pursuant to subdivision (b) of Section 798.55 to a homeowner for the nonpayment of rent, utility charges, or reasonable incidental service charges was not sent to the legal owner, junior lienholder, or registered owner, of the mobilehome, if other than the homeowner, during the preceding 12-month period.

(B) The legal owner, junior lienholder, or registered owner of the mobilehome, if other than the homeowner, has not previously cured a default of the homeowner during the preceding 12-month period.

(C) The legal owner, junior lienholder, or registered owner, if other than the homeowner, is not a financial institution or mobilehome dealer.

If the default is cured by the legal owner, junior lienholder, or registered owner within the 30-day period, the notice to remove the mobilehome from the park described in paragraph (5) shall be rescinded.

(f) Condemnation of the park.

(g) Change of use of the park or any portion thereof, provided:

(1) The management gives the homeowners at least 60 days' written notice that the management will be appearing before a local governmental board, commission, or body to request permits for a change of use of the mobilehome park.

(2) (A) After all required permits requesting a change of use have been approved by the local governmental board, commission, or body, the management shall give the homeowners six months' or more written notice of termination of tenancy.

(B) If the change of use requires no local governmental permits, then notice shall be given 12 months or more prior to the management's determination that a change of use will occur. The management in the notice shall disclose and describe in detail the nature of the change of use.

(3) The management gives each proposed homeowner written notice thereof prior to the inception of the proposed homeowner's tenancy that the management is requesting a change of use before local governmental bodies or that a change of use request has been granted.

(4) The notice requirements for termination of tenancy set forth in Sections 798.56 and 798.57 shall be followed if the proposed change actually occurs.

(5) A notice of a proposed change of use given prior to January 1, 1980, that conforms to the requirements in effect at that time shall be valid. The requirements for a notice of a proposed change of use imposed by this subdivision shall be governed by the law in effect at the time the notice was given.

(h) The report required pursuant to subdivisions (b) and (i) of Section 65863.7 of the Government Code shall be given to the homeowners or residents at the same time that notice is required pursuant to subdivision (g) of this section.

(i) For purposes of this section, "financial institution" means a state or national bank, state or federal savings and loan association or credit union, or similar organization, and mobilehome dealer as defined in Section 18002.6 of the Health and Safety Code or any other organization that, as part of its usual course of business, originates, owns, or provides loan servicing for loans secured by a mobilehome.

(j) This section shall become operative on February 1, 2025.

SEC. 4. Section 2924.15 of the Civil Code, as amended by Section 11 of Chapter 37 of the Statutes of 2020, is amended to read:

2924.15. (a) Unless otherwise provided, paragraph (5) of subdivision (a) of Section 2924, and Sections 2923.5, 2923.55, 2923.6, 2923.7, 2924.9, 2924.10, 2924.11, and 2924.18 shall apply only to a first lien mortgage or deed of trust that meets either of the following criteria:

(1) (A) The first lien mortgage or deed of trust is secured by owner-occupied residential real property containing no more than four dwelling units.

(B) For purposes of this paragraph, “owner-occupied” means that the property is the principal residence of the borrower and is security for a loan made for personal, family, or household purposes.

(2) The first lien mortgage or deed of trust is secured by residential real property that is occupied by a tenant, contains no more than four dwelling units, and meets all of the conditions described in subparagraph (B).

(A) For the purposes of this paragraph:

(i) “Applicable lease” means a lease entered pursuant to an arm’s length transaction before, and in effect on, March 4, 2020.

(ii) “Arm’s length transaction” means a lease entered into in good faith and for valuable consideration that reflects the fair market value in the open market between informed and willing parties.

(iii) “Occupied by a tenant” means that the property is the principal residence of a tenant.

(B) To meet the conditions of this subparagraph, a first lien mortgage or deed of trust shall have all of the following characteristics:

(i) The property is owned by an individual who owns no more than three residential real properties, or by one or more individuals who together own no more than three residential real properties, each of which contains no more than four dwelling units.

(ii) The property is occupied by a tenant pursuant to an applicable lease.

(iii) A tenant occupying the property is unable to pay rent due to a reduction in income resulting from the novel coronavirus.

(C) Relief shall be available pursuant to subdivision (a) of Section 2924 and Sections 2923.5, 2923.55, 2923.6, 2923.7, 2924.9, 2924.10, 2924.11, and 2924.18 for so long as the property remains occupied by a tenant pursuant to a lease entered in an arm’s length transaction.

(b) This section shall remain in effect until January 1, 2023, and as of that date is repealed.

SEC. 5. Section 2924.15 of the Civil Code, as added by Section 12 of Chapter 37 of the Statutes of 2020, is amended to read:

2924.15. (a) Unless otherwise provided, paragraph (5) of subdivision (a) of Section 2924 and Sections 2923.5, 2923.55, 2923.6, 2923.7, 2924.9, 2924.10, 2924.11, and 2924.18 shall apply only to a first lien mortgage or deed of trust that meets either of the following conditions:

(1) (A) The first lien mortgage or deed of trust is secured by owner-occupied residential real property containing no more than four dwelling units.

(B) For purposes of this paragraph, “owner-occupied” means that the property is the principal residence of the borrower and is security for a loan made for personal, family, or household purposes.

(2) The first lien mortgage or deed of trust is secured by residential real property that is occupied by a tenant and that contains no more than four dwelling units and meets all of the conditions described in subparagraph (B) and one of the conditions described in subparagraph (C).

(A) For purposes of this paragraph:

(i) “Applicable lease” means a lease entered pursuant to an arm’s length transaction before, and in effect on, March 4, 2020.

(ii) “Arm’s length transaction” means a lease entered into in good faith and for valuable consideration that reflects the fair market value in the open market between informed and willing parties.

(iii) “Occupied by a tenant” means that the property is the principal residence of a tenant.

(B) To meet the conditions of this paragraph, a first lien mortgage or deed of trust shall have all of the following characteristics:

(i) The property is owned by an individual who owns no more than three residential real properties, each of which contains no more than four dwelling units.

(ii) The property shall have been occupied by a tenant pursuant to an applicable lease.

(iii) A tenant occupying the property shall have been unable to pay rent due to a reduction in income resulting from COVID-19.

(C) For a first lien mortgage or deed of trust to meet the conditions of this paragraph, the borrower shall satisfy either of the following characteristics:

(i) The borrower has been approved in writing for a first lien loan modification or other foreclosure prevention alternative before January 1, 2023.

(ii) The borrower submits a completed application for a first lien loan modification before January 1, 2023, and, as of January 1, 2023, either the mortgage servicer has not yet determined whether the applicant is eligible for a first lien loan modification, or the appeal period for the mortgage servicer’s denial of the application has not yet expired.

(D) Relief shall be available pursuant to subdivision (a) of Section 2924 and Sections 2923.5, 2923.55, 2923.6, 2923.7, 2924.9, 2924.10, 2924.11, and 2924.18 for so long as the property remains occupied by a tenant pursuant to a lease entered into an arm’s length transaction.

(b) This section shall become operative on January 1, 2023.

SEC. 6. Section 4741 of the Civil Code is amended to read:

4741. (a) An owner of a separate interest in a common interest development shall not be subject to a provision in a governing document or an amendment to a governing document that prohibits, has the effect of prohibiting, or unreasonably restricts the rental or leasing of any of the separate interests, accessory dwelling units, or junior accessory dwelling units in that common interest development to a renter, lessee, or tenant.

(b) A common interest development shall not adopt or enforce a provision in a governing document or amendment to a governing document that restricts the rental or lease of separate interests within a common interest to less than 25 percent of the separate interests. Nothing in this subdivision prohibits a common interest development from adopting or enforcing a provision authorizing a higher percentage of separate interests to be rented or leased.

(c) This section does not prohibit a common interest development from adopting and enforcing a provision in a governing document that prohibits transient or short-term rental of a separate property interest for a period of 30 days or less.

(d) For purposes of this section, an accessory dwelling unit or junior accessory dwelling unit shall not be construed as a separate interest.

(e) For purposes of this section, a separate interest shall not be counted as occupied by a renter if the separate interest, or the accessory dwelling unit or junior accessory dwelling unit of the separate interest, is occupied by the owner.

(f) A common interest development shall comply with the prohibition on rental restrictions specified in this section on and after January 1, 2021, regardless of whether the common interest development has revised their governing documents to comply with this section. Notwithstanding any other provision of law or provision of the governing documents, the board, without approval of the members, shall amend any declaration or other governing document no later than July 1, 2022, that includes a restrictive covenant prohibited by this section by either deleting or restating the restrictive covenant to be compliant with this section, and shall restate the declaration or other governing document without the restrictive covenant but with no other change to the declaration or governing document. A board shall provide general notice pursuant to Section 4045 of the amendment at least 28 days before approving the amendment. The notice shall include the text of the amendment and a description of the purpose and effect of the amendment. The decision on the amendment shall be made at a board meeting, after consideration of any comments made by association members.

(g) A common interest development that willfully violates this section shall be liable to the applicant or other party for actual damages, and shall pay a civil penalty to the applicant or other party in an amount not to exceed one thousand dollars (\$1,000).

(h) In accordance with Section 4740, this section does not change the right of an owner of a separate interest who acquired title to their separate interest before the effective date of this section to rent or lease their property.

SEC. 7. Section 1161.2 of the Code of Civil Procedure, as amended by Section 11 of Chapter 27 of the Statutes of 2021, is amended to read:

1161.2. (a) (1) The clerk shall allow access to limited civil case records filed under this chapter, including the court file, index, and register of actions, only as follows:

(A) To a party to the action, including a party's attorney.

(B) To a person who provides the clerk with the names of at least one plaintiff and one defendant and the address of the premises, including the apartment or unit number, if any.

(C) To a resident of the premises who provides the clerk with the name of one of the parties or the case number and shows proof of residency.

(D) To a person by order of the court, which may be granted ex parte, on a showing of good cause.

(E) Except as provided in subparagraph (G), to any person by order of the court if judgment is entered for the plaintiff after trial more than 60 days since the filing of the complaint. The court shall issue the order upon issuing judgment for the plaintiff.

(F) Except as provided in subparagraph (G), to any other person 60 days after the complaint has been filed if judgment against all defendants has been entered for the plaintiff within 60 days of the filing of the complaint, in which case the clerk shall allow access to any court records in the action. If a default or default judgment is set aside more than 60 days after the complaint has been filed, this section shall apply as if the complaint had been filed on the date the default or default judgment is set aside.

(G) (i) In the case of a complaint involving residential property based on Section 1161a as indicated in the caption of the complaint, as required in subdivision (c) of Section 1166, to any other person, if 60 days have elapsed since the complaint was filed with the court, and, as of that date, judgment against all defendants has been entered for the plaintiff, after a trial.

(ii) Subparagraphs (E) and (F) shall not apply if the plaintiff filed the action between March 4, 2020, and September 30, 2021, and the action is based on an alleged default in the payment of rent.

(2) This section shall not be construed to prohibit the court from issuing an order that bars access to the court record in an action filed under this chapter if the parties to the action so stipulate.

(b) (1) For purposes of this section, “good cause” includes, but is not limited to, both of the following:

(A) The gathering of newsworthy facts by a person described in Section 1070 of the Evidence Code.

(B) The gathering of evidence by a party to an unlawful detainer action solely for the purpose of making a request for judicial notice pursuant to subdivision (d) of Section 452 of the Evidence Code.

(2) It is the intent of the Legislature that a simple procedure be established to request the ex parte order described in subparagraph (D) of paragraph (1) of subdivision (a).

(c) Upon the filing of a case so restricted, the court clerk shall mail notice to each defendant named in the action. The notice shall be mailed to the address provided in the complaint. The notice shall contain a statement that an unlawful detainer complaint (eviction action) has been filed naming that party as a defendant, and that access to the court file will be delayed for 60 days except to a party, an attorney for one of the parties, or any other person who (1) provides to the clerk the names of at least one plaintiff and one defendant in the action and provides to the clerk the address, including any applicable apartment, unit, or space number, of the subject premises, or (2) provides to the clerk the name of one of the parties in the action or the case number and can establish through proper identification that the person lives at the subject premises. The notice shall also contain a statement that access to the court index, register of actions, or other records is not permitted until 60 days after the complaint is filed, except pursuant to an order upon a

showing of good cause for access. The notice shall contain on its face the following information:

(1) The name and telephone number of the county bar association.

(2) The name and telephone number of any entity that requests inclusion on the notice and demonstrates to the satisfaction of the court that it has been certified by the State Bar of California as a lawyer referral service and maintains a panel of attorneys qualified in the practice of landlord-tenant law pursuant to the minimum standards for a lawyer referral service established by the State Bar of California and Section 6155 of the Business and Professions Code.

(3) The following statement:

“The State Bar of California certifies lawyer referral services in California and publishes a list of certified lawyer referral services organized by county. To locate a lawyer referral service in your county, go to the State Bar’s internet website at [www.calbar.ca.gov](http://www.calbar.ca.gov) or call 1-866-442-2529.”

(4) The name and telephone number of an office or offices funded by the federal Legal Services Corporation or qualified legal services projects that receive funds distributed pursuant to Section 6216 of the Business and Professions Code that provide legal services to low-income persons in the county in which the action is filed. The notice shall state that these telephone numbers may be called for legal advice regarding the case. The notice shall be issued between 24 and 48 hours of the filing of the complaint, excluding weekends and holidays. One copy of the notice shall be addressed to “all occupants” and mailed separately to the subject premises. The notice shall not constitute service of the summons and complaint.

(5) The following statement, for a notice sent out pursuant to this section between October 1, 2021 and March 31, 2022:

**“IMPORTANT NOTICE FROM THE STATE OF CALIFORNIA – YOU MUST TAKE ACTION TO AVOID AN EVICTION:** As part of the state’s COVID-19 relief plan, money has been set aside to help renters who have fallen behind on rent or utility payments.

If you are behind on rent or utility payments, **YOU SHOULD COMPLETE A RENTAL ASSISTANCE APPLICATION IMMEDIATELY!** It is free and simple to apply. Citizenship or immigration status does not matter.

You can find out how to start your application by calling 1-833-430-2122 or visiting <http://housingiskey.com> right away.”

(d) Notwithstanding any other law, the court shall charge an additional fee of fifteen dollars (\$15) for filing a first appearance by the plaintiff. This fee shall be added to the uniform filing fee for actions filed under this chapter.

(e) This section does not apply to a case that seeks to terminate a mobilehome park tenancy if the statement of the character of the proceeding

in the caption of the complaint clearly indicates that the complaint seeks termination of a mobilehome park tenancy.

(f) This section does not alter any provision of the Evidence Code.

SEC. 8. Section 65589.5 of the Government Code is amended to read:

65589.5. (a) (1) The Legislature finds and declares all of the following:

(A) The lack of housing, including emergency shelters, is a critical problem that threatens the economic, environmental, and social quality of life in California.

(B) California housing has become the most expensive in the nation. The excessive cost of the state's housing supply is partially caused by activities and policies of many local governments that limit the approval of housing, increase the cost of land for housing, and require that high fees and exactions be paid by producers of housing.

(C) Among the consequences of those actions are discrimination against low-income and minority households, lack of housing to support employment growth, imbalance in jobs and housing, reduced mobility, urban sprawl, excessive commuting, and air quality deterioration.

(D) Many local governments do not give adequate attention to the economic, environmental, and social costs of decisions that result in disapproval of housing development projects, reduction in density of housing projects, and excessive standards for housing development projects.

(2) In enacting the amendments made to this section by the act adding this paragraph, the Legislature further finds and declares the following:

(A) California has a housing supply and affordability crisis of historic proportions. The consequences of failing to effectively and aggressively confront this crisis are hurting millions of Californians, robbing future generations of the chance to call California home, stifling economic opportunities for workers and businesses, worsening poverty and homelessness, and undermining the state's environmental and climate objectives.

(B) While the causes of this crisis are multiple and complex, the absence of meaningful and effective policy reforms to significantly enhance the approval and supply of housing affordable to Californians of all income levels is a key factor.

(C) The crisis has grown so acute in California that supply, demand, and affordability fundamentals are characterized in the negative: underserved demands, constrained supply, and protracted unaffordability.

(D) According to reports and data, California has accumulated an unmet housing backlog of nearly 2,000,000 units and must provide for at least 180,000 new units annually to keep pace with growth through 2025.

(E) California's overall homeownership rate is at its lowest level since the 1940s. The state ranks 49th out of the 50 states in homeownership rates as well as in the supply of housing per capita. Only one-half of California's households are able to afford the cost of housing in their local regions.

(F) Lack of supply and rising costs are compounding inequality and limiting advancement opportunities for many Californians.

(G) The majority of California renters, more than 3,000,000 households, pay more than 30 percent of their income toward rent and nearly one-third, more than 1,500,000 households, pay more than 50 percent of their income toward rent.

(H) When Californians have access to safe and affordable housing, they have more money for food and health care; they are less likely to become homeless and in need of government-subsidized services; their children do better in school; and businesses have an easier time recruiting and retaining employees.

(I) An additional consequence of the state's cumulative housing shortage is a significant increase in greenhouse gas emissions caused by the displacement and redirection of populations to states with greater housing opportunities, particularly working- and middle-class households. California's cumulative housing shortfall therefore has not only national but international environmental consequences.

(J) California's housing picture has reached a crisis of historic proportions despite the fact that, for decades, the Legislature has enacted numerous statutes intended to significantly increase the approval, development, and affordability of housing for all income levels, including this section.

(K) The Legislature's intent in enacting this section in 1982 and in expanding its provisions since then was to significantly increase the approval and construction of new housing for all economic segments of California's communities by meaningfully and effectively curbing the capability of local governments to deny, reduce the density for, or render infeasible housing development projects and emergency shelters. That intent has not been fulfilled.

(L) It is the policy of the state that this section be interpreted and implemented in a manner to afford the fullest possible weight to the interest of, and the approval and provision of, housing.

(3) It is the intent of the Legislature that the conditions that would have a specific, adverse impact upon the public health and safety, as described in paragraph (2) of subdivision (d) and paragraph (1) of subdivision (j), arise infrequently.

(b) It is the policy of the state that a local government not reject or make infeasible housing development projects, including emergency shelters, that contribute to meeting the need determined pursuant to this article without a thorough analysis of the economic, social, and environmental effects of the action and without complying with subdivision (d).

(c) The Legislature also recognizes that premature and unnecessary development of agricultural lands for urban uses continues to have adverse effects on the availability of those lands for food and fiber production and on the economy of the state. Furthermore, it is the policy of the state that development should be guided away from prime agricultural lands; therefore, in implementing this section, local jurisdictions should encourage, to the maximum extent practicable, in filling existing urban areas.

(d) A local agency shall not disapprove a housing development project, including farmworker housing as defined in subdivision (h) of Section

50199.7 of the Health and Safety Code, for very low, low-, or moderate-income households, or an emergency shelter, or condition approval in a manner that renders the housing development project infeasible for development for the use of very low, low-, or moderate-income households, or an emergency shelter, including through the use of design review standards, unless it makes written findings, based upon a preponderance of the evidence in the record, as to one of the following:

(1) The jurisdiction has adopted a housing element pursuant to this article that has been revised in accordance with Section 65588, is in substantial compliance with this article, and the jurisdiction has met or exceeded its share of the regional housing need allocation pursuant to Section 65584 for the planning period for the income category proposed for the housing development project, provided that any disapproval or conditional approval shall not be based on any of the reasons prohibited by Section 65008. If the housing development project includes a mix of income categories, and the jurisdiction has not met or exceeded its share of the regional housing need for one or more of those categories, then this paragraph shall not be used to disapprove or conditionally approve the housing development project. The share of the regional housing need met by the jurisdiction shall be calculated consistently with the forms and definitions that may be adopted by the Department of Housing and Community Development pursuant to Section 65400. In the case of an emergency shelter, the jurisdiction shall have met or exceeded the need for emergency shelter, as identified pursuant to paragraph (7) of subdivision (a) of Section 65583. Any disapproval or conditional approval pursuant to this paragraph shall be in accordance with applicable law, rule, or standards.

(2) The housing development project or emergency shelter as proposed would have a specific, adverse impact upon the public health or safety, and there is no feasible method to satisfactorily mitigate or avoid the specific adverse impact without rendering the development unaffordable to low- and moderate-income households or rendering the development of the emergency shelter financially infeasible. As used in this paragraph, a “specific, adverse impact” means a significant, quantifiable, direct, and unavoidable impact, based on objective, identified written public health or safety standards, policies, or conditions as they existed on the date the application was deemed complete. The following shall not constitute a specific, adverse impact upon the public health or safety:

(A) Inconsistency with the zoning ordinance or general plan land use designation.

(B) The eligibility to claim a welfare exemption under subdivision (g) of Section 214 of the Revenue and Taxation Code.

(3) The denial of the housing development project or imposition of conditions is required in order to comply with specific state or federal law, and there is no feasible method to comply without rendering the development unaffordable to low- and moderate-income households or rendering the development of the emergency shelter financially infeasible.

(4) The housing development project or emergency shelter is proposed on land zoned for agriculture or resource preservation that is surrounded on at least two sides by land being used for agricultural or resource preservation purposes, or which does not have adequate water or wastewater facilities to serve the project.

(5) The housing development project or emergency shelter is inconsistent with both the jurisdiction's zoning ordinance and general plan land use designation as specified in any element of the general plan as it existed on the date the application was deemed complete, and the jurisdiction has adopted a revised housing element in accordance with Section 65588 that is in substantial compliance with this article. For purposes of this section, a change to the zoning ordinance or general plan land use designation subsequent to the date the application was deemed complete shall not constitute a valid basis to disapprove or condition approval of the housing development project or emergency shelter.

(A) This paragraph cannot be utilized to disapprove or conditionally approve a housing development project if the housing development project is proposed on a site that is identified as suitable or available for very low, low-, or moderate-income households in the jurisdiction's housing element, and consistent with the density specified in the housing element, even though it is inconsistent with both the jurisdiction's zoning ordinance and general plan land use designation.

(B) If the local agency has failed to identify in the inventory of land in its housing element sites that can be developed for housing within the planning period and are sufficient to provide for the jurisdiction's share of the regional housing need for all income levels pursuant to Section 65584, then this paragraph shall not be utilized to disapprove or conditionally approve a housing development project proposed for a site designated in any element of the general plan for residential uses or designated in any element of the general plan for commercial uses if residential uses are permitted or conditionally permitted within commercial designations. In any action in court, the burden of proof shall be on the local agency to show that its housing element does identify adequate sites with appropriate zoning and development standards and with services and facilities to accommodate the local agency's share of the regional housing need for the very low, low-, and moderate-income categories.

(C) If the local agency has failed to identify a zone or zones where emergency shelters are allowed as a permitted use without a conditional use or other discretionary permit, has failed to demonstrate that the identified zone or zones include sufficient capacity to accommodate the need for emergency shelter identified in paragraph (7) of subdivision (a) of Section 65583, or has failed to demonstrate that the identified zone or zones can accommodate at least one emergency shelter, as required by paragraph (4) of subdivision (a) of Section 65583, then this paragraph shall not be utilized to disapprove or conditionally approve an emergency shelter proposed for a site designated in any element of the general plan for industrial, commercial, or multifamily residential uses. In any action in court, the

burden of proof shall be on the local agency to show that its housing element does satisfy the requirements of paragraph (4) of subdivision (a) of Section 65583.

(e) Nothing in this section shall be construed to relieve the local agency from complying with the congestion management program required by Chapter 2.6 (commencing with Section 65088) of Division 1 of Title 7 or the California Coastal Act of 1976 (Division 20 (commencing with Section 30000) of the Public Resources Code). Neither shall anything in this section be construed to relieve the local agency from making one or more of the findings required pursuant to Section 21081 of the Public Resources Code or otherwise complying with the California Environmental Quality Act (Division 13 (commencing with Section 21000) of the Public Resources Code).

(f) (1) Except as provided in subdivision (o), nothing in this section shall be construed to prohibit a local agency from requiring the housing development project to comply with objective, quantifiable, written development standards, conditions, and policies appropriate to, and consistent with, meeting the jurisdiction's share of the regional housing need pursuant to Section 65584. However, the development standards, conditions, and policies shall be applied to facilitate and accommodate development at the density permitted on the site and proposed by the development.

(2) Except as provided in subdivision (o), nothing in this section shall be construed to prohibit a local agency from requiring an emergency shelter project to comply with objective, quantifiable, written development standards, conditions, and policies that are consistent with paragraph (4) of subdivision (a) of Section 65583 and appropriate to, and consistent with, meeting the jurisdiction's need for emergency shelter, as identified pursuant to paragraph (7) of subdivision (a) of Section 65583. However, the development standards, conditions, and policies shall be applied by the local agency to facilitate and accommodate the development of the emergency shelter project.

(3) Except as provided in subdivision (o), nothing in this section shall be construed to prohibit a local agency from imposing fees and other exactions otherwise authorized by law that are essential to provide necessary public services and facilities to the housing development project or emergency shelter.

(4) For purposes of this section, a housing development project or emergency shelter shall be deemed consistent, compliant, and in conformity with an applicable plan, program, policy, ordinance, standard, requirement, or other similar provision if there is substantial evidence that would allow a reasonable person to conclude that the housing development project or emergency shelter is consistent, compliant, or in conformity.

(g) This section shall be applicable to charter cities because the Legislature finds that the lack of housing, including emergency shelter, is a critical statewide problem.

(h) The following definitions apply for the purposes of this section:

(1) “Feasible” means capable of being accomplished in a successful manner within a reasonable period of time, taking into account economic, environmental, social, and technological factors.

(2) “Housing development project” means a use consisting of any of the following:

(A) Residential units only.

(B) Mixed-use developments consisting of residential and nonresidential uses with at least two-thirds of the square footage designated for residential use.

(C) Transitional housing or supportive housing.

(3) “Housing for very low, low-, or moderate-income households” means that either (A) at least 20 percent of the total units shall be sold or rented to lower income households, as defined in Section 50079.5 of the Health and Safety Code, or (B) 100 percent of the units shall be sold or rented to persons and families of moderate income as defined in Section 50093 of the Health and Safety Code, or persons and families of middle income, as defined in Section 65008 of this code. Housing units targeted for lower income households shall be made available at a monthly housing cost that does not exceed 30 percent of 60 percent of area median income with adjustments for household size made in accordance with the adjustment factors on which the lower income eligibility limits are based. Housing units targeted for persons and families of moderate income shall be made available at a monthly housing cost that does not exceed 30 percent of 100 percent of area median income with adjustments for household size made in accordance with the adjustment factors on which the moderate-income eligibility limits are based.

(4) “Area median income” means area median income as periodically established by the Department of Housing and Community Development pursuant to Section 50093 of the Health and Safety Code. The developer shall provide sufficient legal commitments to ensure continued availability of units for very low or low-income households in accordance with the provisions of this subdivision for 30 years.

(5) Notwithstanding any other law, until January 1, 2025, “deemed complete” means that the applicant has submitted a preliminary application pursuant to Section 65941.1 or, if the applicant has not submitted a preliminary application, has submitted a complete application pursuant to Section 65943.

(6) “Disapprove the housing development project” includes any instance in which a local agency does either of the following:

(A) Votes on a proposed housing development project application and the application is disapproved, including any required land use approvals or entitlements necessary for the issuance of a building permit.

(B) Fails to comply with the time periods specified in subdivision (a) of Section 65950. An extension of time pursuant to Article 5 (commencing with Section 65950) shall be deemed to be an extension of time pursuant to this paragraph.

(7) “Lower density” includes any conditions that have the same effect or impact on the ability of the project to provide housing.

(8) Until January 1, 2025, “objective” means involving no personal or subjective judgment by a public official and being uniformly verifiable by reference to an external and uniform benchmark or criterion available and knowable by both the development applicant or proponent and the public official.

(9) Notwithstanding any other law, until January 1, 2025, “determined to be complete” means that the applicant has submitted a complete application pursuant to Section 65943.

(i) If any city, county, or city and county denies approval or imposes conditions, including design changes, lower density, or a reduction of the percentage of a lot that may be occupied by a building or structure under the applicable planning and zoning in force at the time housing development project’s the application is complete, that have a substantial adverse effect on the viability or affordability of a housing development for very low, low-, or moderate-income households, and the denial of the development or the imposition of conditions on the development is the subject of a court action which challenges the denial or the imposition of conditions, then the burden of proof shall be on the local legislative body to show that its decision is consistent with the findings as described in subdivision (d), and that the findings are supported by a preponderance of the evidence in the record, and with the requirements of subdivision (o).

(j) (1) When a proposed housing development project complies with applicable, objective general plan, zoning, and subdivision standards and criteria, including design review standards, in effect at the time that the application was deemed complete, but the local agency proposes to disapprove the project or to impose a condition that the project be developed at a lower density, the local agency shall base its decision regarding the proposed housing development project upon written findings supported by a preponderance of the evidence on the record that both of the following conditions exist:

(A) The housing development project would have a specific, adverse impact upon the public health or safety unless the project is disapproved or approved upon the condition that the project be developed at a lower density. As used in this paragraph, a “specific, adverse impact” means a significant, quantifiable, direct, and unavoidable impact, based on objective, identified written public health or safety standards, policies, or conditions as they existed on the date the application was deemed complete.

(B) There is no feasible method to satisfactorily mitigate or avoid the adverse impact identified pursuant to paragraph (1), other than the disapproval of the housing development project or the approval of the project upon the condition that it be developed at a lower density.

(2) (A) If the local agency considers a proposed housing development project to be inconsistent, not in compliance, or not in conformity with an applicable plan, program, policy, ordinance, standard, requirement, or other similar provision as specified in this subdivision, it shall provide the

applicant with written documentation identifying the provision or provisions, and an explanation of the reason or reasons it considers the housing development to be inconsistent, not in compliance, or not in conformity as follows:

(i) Within 30 days of the date that the application for the housing development project is determined to be complete, if the housing development project contains 150 or fewer housing units.

(ii) Within 60 days of the date that the application for the housing development project is determined to be complete, if the housing development project contains more than 150 units.

(B) If the local agency fails to provide the required documentation pursuant to subparagraph (A), the housing development project shall be deemed consistent, compliant, and in conformity with the applicable plan, program, policy, ordinance, standard, requirement, or other similar provision.

(3) For purposes of this section, the receipt of a density bonus, incentive, concession, waiver, or reduction of development standards pursuant to Section 65915 shall not constitute a valid basis on which to find a proposed housing development project is inconsistent, not in compliance, or not in conformity, with an applicable plan, program, policy, ordinance, standard, requirement, or other similar provision specified in this subdivision.

(4) For purposes of this section, a proposed housing development project is not inconsistent with the applicable zoning standards and criteria, and shall not require a rezoning, if the housing development project is consistent with the objective general plan standards and criteria but the zoning for the project site is inconsistent with the general plan. If the local agency has complied with paragraph (2), the local agency may require the proposed housing development project to comply with the objective standards and criteria of the zoning which is consistent with the general plan, however, the standards and criteria shall be applied to facilitate and accommodate development at the density allowed on the site by the general plan and proposed by the proposed housing development project.

(k) (1) (A) (i) The applicant, a person who would be eligible to apply for residency in the housing development project or emergency shelter, or a housing organization may bring an action to enforce this section. If, in any action brought to enforce this section, a court finds that any of the following are met, the court shall issue an order pursuant to clause (ii):

(I) The local agency, in violation of subdivision (d), disapproved a housing development project or conditioned its approval in a manner rendering it infeasible for the development of an emergency shelter, or housing for very low, low-, or moderate-income households, including farmworker housing, without making the findings required by this section or without making findings supported by a preponderance of the evidence.

(II) The local agency, in violation of subdivision (j), disapproved a housing development project complying with applicable, objective general plan and zoning standards and criteria, or imposed a condition that the project be developed at a lower density, without making the findings required

by this section or without making findings supported by a preponderance of the evidence.

(III) (ia) Subject to sub-subclause (ib), the local agency, in violation of subdivision (o), required or attempted to require a housing development project to comply with an ordinance, policy, or standard not adopted and in effect when a preliminary application was submitted.

(ib) This subclause shall become inoperative on January 1, 2025.

(ii) If the court finds that one of the conditions in clause (i) is met, the court shall issue an order or judgment compelling compliance with this section within 60 days, including, but not limited to, an order that the local agency take action on the housing development project or emergency shelter. The court may issue an order or judgment directing the local agency to approve the housing development project or emergency shelter if the court finds that the local agency acted in bad faith when it disapproved or conditionally approved the housing development or emergency shelter in violation of this section. The court shall retain jurisdiction to ensure that its order or judgment is carried out and shall award reasonable attorney's fees and costs of suit to the plaintiff or petitioner, except under extraordinary circumstances in which the court finds that awarding fees would not further the purposes of this section.

(B) Upon a determination that the local agency has failed to comply with the order or judgment compelling compliance with this section within 60 days issued pursuant to subparagraph (A), the court shall impose fines on a local agency that has violated this section and require the local agency to deposit any fine levied pursuant to this subdivision into a local housing trust fund. The local agency may elect to instead deposit the fine into the Building Homes and Jobs Trust Fund. The fine shall be in a minimum amount of ten thousand dollars (\$10,000) per housing unit in the housing development project on the date the application was deemed complete pursuant to Section 65943. In determining the amount of fine to impose, the court shall consider the local agency's progress in attaining its target allocation of the regional housing need pursuant to Section 65584 and any prior violations of this section. Fines shall not be paid out of funds already dedicated to affordable housing, including, but not limited to, Low and Moderate Income Housing Asset Funds, funds dedicated to housing for very low, low-, and moderate-income households, and federal HOME Investment Partnerships Program and Community Development Block Grant Program funds. The local agency shall commit and expend the money in the local housing trust fund within five years for the sole purpose of financing newly constructed housing units affordable to extremely low, very low, or low-income households. After five years, if the funds have not been expended, the money shall revert to the state and be deposited in the Building Homes and Jobs Trust Fund for the sole purpose of financing newly constructed housing units affordable to extremely low, very low, or low-income households.

(C) If the court determines that its order or judgment has not been carried out within 60 days, the court may issue further orders as provided by law to ensure that the purposes and policies of this section are fulfilled, including,

but not limited to, an order to vacate the decision of the local agency and to approve the housing development project, in which case the application for the housing development project, as proposed by the applicant at the time the local agency took the initial action determined to be in violation of this section, along with any standard conditions determined by the court to be generally imposed by the local agency on similar projects, shall be deemed to be approved unless the applicant consents to a different decision or action by the local agency.

(2) For purposes of this subdivision, “housing organization” means a trade or industry group whose local members are primarily engaged in the construction or management of housing units or a nonprofit organization whose mission includes providing or advocating for increased access to housing for low-income households and have filed written or oral comments with the local agency prior to action on the housing development project. A housing organization may only file an action pursuant to this section to challenge the disapproval of a housing development by a local agency. A housing organization shall be entitled to reasonable attorney’s fees and costs if it is the prevailing party in an action to enforce this section.

(l) If the court finds that the local agency (1) acted in bad faith when it disapproved or conditionally approved the housing development or emergency shelter in violation of this section and (2) failed to carry out the court’s order or judgment within 60 days as described in subdivision (k), the court, in addition to any other remedies provided by this section, shall multiply the fine determined pursuant to subparagraph (B) of paragraph (1) of subdivision (k) by a factor of five. For purposes of this section, “bad faith” includes, but is not limited to, an action that is frivolous or otherwise entirely without merit.

(m) Any action brought to enforce the provisions of this section shall be brought pursuant to Section 1094.5 of the Code of Civil Procedure, and the local agency shall prepare and certify the record of proceedings in accordance with subdivision (c) of Section 1094.6 of the Code of Civil Procedure no later than 30 days after the petition is served, provided that the cost of preparation of the record shall be borne by the local agency, unless the petitioner elects to prepare the record as provided in subdivision (n) of this section. A petition to enforce the provisions of this section shall be filed and served no later than 90 days from the later of (1) the effective date of a decision of the local agency imposing conditions on, disapproving, or any other final action on a housing development project or (2) the expiration of the time periods specified in subparagraph (B) of paragraph (5) of subdivision (h). Upon entry of the trial court’s order, a party may, in order to obtain appellate review of the order, file a petition within 20 days after service upon it of a written notice of the entry of the order, or within such further time not exceeding an additional 20 days as the trial court may for good cause allow, or may appeal the judgment or order of the trial court under Section 904.1 of the Code of Civil Procedure. If the local agency appeals the judgment of the trial court, the local agency shall post a bond,

in an amount to be determined by the court, to the benefit of the plaintiff if the plaintiff is the project applicant.

(n) In any action, the record of the proceedings before the local agency shall be filed as expeditiously as possible and, notwithstanding Section 1094.6 of the Code of Civil Procedure or subdivision (m) of this section, all or part of the record may be prepared (1) by the petitioner with the petition or petitioner's points and authorities, (2) by the respondent with respondent's points and authorities, (3) after payment of costs by the petitioner, or (4) as otherwise directed by the court. If the expense of preparing the record has been borne by the petitioner and the petitioner is the prevailing party, the expense shall be taxable as costs.

(o) (1) Subject to paragraphs (2), (6), and (7), and subdivision (d) of Section 65941.1, a housing development project shall be subject only to the ordinances, policies, and standards adopted and in effect when a preliminary application including all of the information required by subdivision (a) of Section 65941.1 was submitted.

(2) Paragraph (1) shall not prohibit a housing development project from being subject to ordinances, policies, and standards adopted after the preliminary application was submitted pursuant to Section 65941.1 in the following circumstances:

(A) In the case of a fee, charge, or other monetary exaction, to an increase resulting from an automatic annual adjustment based on an independently published cost index that is referenced in the ordinance or resolution establishing the fee or other monetary exaction.

(B) A preponderance of the evidence in the record establishes that subjecting the housing development project to an ordinance, policy, or standard beyond those in effect when a preliminary application was submitted is necessary to mitigate or avoid a specific, adverse impact upon the public health or safety, as defined in subparagraph (A) of paragraph (1) of subdivision (j), and there is no feasible alternative method to satisfactorily mitigate or avoid the adverse impact.

(C) Subjecting the housing development project to an ordinance, policy, standard, or any other measure, beyond those in effect when a preliminary application was submitted is necessary to avoid or substantially lessen an impact of the project under the California Environmental Quality Act (Division 13 (commencing with Section 21000) of the Public Resources Code).

(D) The housing development project has not commenced construction within two and one-half years following the date that the project received final approval. For purposes of this subparagraph, "final approval" means that the housing development project has received all necessary approvals to be eligible to apply for, and obtain, a building permit or permits and either of the following is met:

(i) The expiration of all applicable appeal periods, petition periods, reconsideration periods, or statute of limitations for challenging that final approval without an appeal, petition, request for reconsideration, or legal challenge having been filed.

(ii) If a challenge is filed, that challenge is fully resolved or settled in favor of the housing development project.

(E) The housing development project is revised following submittal of a preliminary application pursuant to Section 65941.1 such that the number of residential units or square footage of construction changes by 20 percent or more, exclusive of any increase resulting from the receipt of a density bonus, incentive, concession, waiver, or similar provision, including any other locally authorized program that offers additional density or other development bonuses when affordable housing is provided. For purposes of this subdivision, “square footage of construction” means the building area, as defined by the California Building Standards Code (Title 24 of the California Code of Regulations).

(3) This subdivision does not prevent a local agency from subjecting the additional units or square footage of construction that result from project revisions occurring after a preliminary application is submitted pursuant to Section 65941.1 to the ordinances, policies, and standards adopted and in effect when the preliminary application was submitted.

(4) For purposes of this subdivision, “ordinances, policies, and standards” includes general plan, community plan, specific plan, zoning, design review standards and criteria, subdivision standards and criteria, and any other rules, regulations, requirements, and policies of a local agency, as defined in Section 66000, including those relating to development impact fees, capacity or connection fees or charges, permit or processing fees, and other exactions.

(5) This subdivision shall not be construed in a manner that would lessen the restrictions imposed on a local agency, or lessen the protections afforded to a housing development project, that are established by any other law, including any other part of this section.

(6) This subdivision shall not restrict the authority of a public agency or local agency to require mitigation measures to lessen the impacts of a housing development project under the California Environmental Quality Act (Division 13 (commencing with Section 21000) of the Public Resources Code).

(7) With respect to completed residential units for which the project approval process is complete and a certificate of occupancy has been issued, nothing in this subdivision shall limit the application of later enacted ordinances, policies, and standards that regulate the use and occupancy of those residential units, such as ordinances relating to rental housing inspection, rent stabilization, restrictions on short-term renting, and business licensing requirements for owners of rental housing.

(8) This subdivision shall become inoperative on January 1, 2025.

(p) This section shall be known, and may be cited, as the Housing Accountability Act.

SEC. 8.1. Section 65589.5 of the Government Code is amended to read:

65589.5. (a) (1) The Legislature finds and declares all of the following:

(A) The lack of housing, including emergency shelters, is a critical problem that threatens the economic, environmental, and social quality of life in California.

(B) California housing has become the most expensive in the nation. The excessive cost of the state's housing supply is partially caused by activities and policies of many local governments that limit the approval of housing, increase the cost of land for housing, and require that high fees and exactions be paid by producers of housing.

(C) Among the consequences of those actions are discrimination against low-income and minority households, lack of housing to support employment growth, imbalance in jobs and housing, reduced mobility, urban sprawl, excessive commuting, and air quality deterioration.

(D) Many local governments do not give adequate attention to the economic, environmental, and social costs of decisions that result in disapproval of housing development projects, reduction in density of housing projects, and excessive standards for housing development projects.

(2) In enacting the amendments made to this section by the act adding this paragraph, the Legislature further finds and declares the following:

(A) California has a housing supply and affordability crisis of historic proportions. The consequences of failing to effectively and aggressively confront this crisis are hurting millions of Californians, robbing future generations of the chance to call California home, stifling economic opportunities for workers and businesses, worsening poverty and homelessness, and undermining the state's environmental and climate objectives.

(B) While the causes of this crisis are multiple and complex, the absence of meaningful and effective policy reforms to significantly enhance the approval and supply of housing affordable to Californians of all income levels is a key factor.

(C) The crisis has grown so acute in California that supply, demand, and affordability fundamentals are characterized in the negative: underserved demands, constrained supply, and protracted unaffordability.

(D) According to reports and data, California has accumulated an unmet housing backlog of nearly 2,000,000 units and must provide for at least 180,000 new units annually to keep pace with growth through 2025.

(E) California's overall homeownership rate is at its lowest level since the 1940s. The state ranks 49th out of the 50 states in homeownership rates as well as in the supply of housing per capita. Only one-half of California's households are able to afford the cost of housing in their local regions.

(F) Lack of supply and rising costs are compounding inequality and limiting advancement opportunities for many Californians.

(G) The majority of California renters, more than 3,000,000 households, pay more than 30 percent of their income toward rent and nearly one-third, more than 1,500,000 households, pay more than 50 percent of their income toward rent.

(H) When Californians have access to safe and affordable housing, they have more money for food and health care; they are less likely to become

homeless and in need of government-subsidized services; their children do better in school; and businesses have an easier time recruiting and retaining employees.

(I) An additional consequence of the state's cumulative housing shortage is a significant increase in greenhouse gas emissions caused by the displacement and redirection of populations to states with greater housing opportunities, particularly working- and middle-class households. California's cumulative housing shortfall therefore has not only national but international environmental consequences.

(J) California's housing picture has reached a crisis of historic proportions despite the fact that, for decades, the Legislature has enacted numerous statutes intended to significantly increase the approval, development, and affordability of housing for all income levels, including this section.

(K) The Legislature's intent in enacting this section in 1982 and in expanding its provisions since then was to significantly increase the approval and construction of new housing for all economic segments of California's communities by meaningfully and effectively curbing the capability of local governments to deny, reduce the density for, or render infeasible housing development projects and emergency shelters. That intent has not been fulfilled.

(L) It is the policy of the state that this section be interpreted and implemented in a manner to afford the fullest possible weight to the interest of, and the approval and provision of, housing.

(3) It is the intent of the Legislature that the conditions that would have a specific, adverse impact upon the public health and safety, as described in paragraph (2) of subdivision (d) and paragraph (1) of subdivision (j), arise infrequently.

(b) It is the policy of the state that a local government not reject or make infeasible housing development projects, including emergency shelters, that contribute to meeting the need determined pursuant to this article without a thorough analysis of the economic, social, and environmental effects of the action and without complying with subdivision (d).

(c) The Legislature also recognizes that premature and unnecessary development of agricultural lands for urban uses continues to have adverse effects on the availability of those lands for food and fiber production and on the economy of the state. Furthermore, it is the policy of the state that development should be guided away from prime agricultural lands; therefore, in implementing this section, local jurisdictions should encourage, to the maximum extent practicable, in filling existing urban areas.

(d) A local agency shall not disapprove a housing development project, including farmworker housing as defined in subdivision (h) of Section 50199.7 of the Health and Safety Code, for very low, low-, or moderate-income households, or an emergency shelter, or condition approval in a manner that renders the housing development project infeasible for development for the use of very low, low-, or moderate-income households, or an emergency shelter, including through the use of design review

standards, unless it makes written findings, based upon a preponderance of the evidence in the record, as to one of the following:

(1) The jurisdiction has adopted a housing element pursuant to this article that has been revised in accordance with Section 65588, is in substantial compliance with this article, and the jurisdiction has met or exceeded its share of the regional housing need allocation pursuant to Section 65584 for the planning period for the income category proposed for the housing development project, provided that any disapproval or conditional approval shall not be based on any of the reasons prohibited by Section 65008. If the housing development project includes a mix of income categories, and the jurisdiction has not met or exceeded its share of the regional housing need for one or more of those categories, then this paragraph shall not be used to disapprove or conditionally approve the housing development project. The share of the regional housing need met by the jurisdiction shall be calculated consistently with the forms and definitions that may be adopted by the Department of Housing and Community Development pursuant to Section 65400. In the case of an emergency shelter, the jurisdiction shall have met or exceeded the need for emergency shelter, as identified pursuant to paragraph (7) of subdivision (a) of Section 65583. Any disapproval or conditional approval pursuant to this paragraph shall be in accordance with applicable law, rule, or standards.

(2) The housing development project or emergency shelter as proposed would have a specific, adverse impact upon the public health or safety, and there is no feasible method to satisfactorily mitigate or avoid the specific adverse impact without rendering the development unaffordable to low- and moderate-income households or rendering the development of the emergency shelter financially infeasible. As used in this paragraph, a “specific, adverse impact” means a significant, quantifiable, direct, and unavoidable impact, based on objective, identified written public health or safety standards, policies, or conditions as they existed on the date the application was deemed complete. The following shall not constitute a specific, adverse impact upon the public health or safety:

(A) Inconsistency with the zoning ordinance or general plan land use designation.

(B) The eligibility to claim a welfare exemption under subdivision (g) of Section 214 of the Revenue and Taxation Code.

(3) The denial of the housing development project or imposition of conditions is required in order to comply with specific state or federal law, and there is no feasible method to comply without rendering the development unaffordable to low- and moderate-income households or rendering the development of the emergency shelter financially infeasible.

(4) The housing development project or emergency shelter is proposed on land zoned for agriculture or resource preservation that is surrounded on at least two sides by land being used for agricultural or resource preservation purposes, or which does not have adequate water or wastewater facilities to serve the project.

(5) The housing development project or emergency shelter is inconsistent with both the jurisdiction's zoning ordinance and general plan land use designation as specified in any element of the general plan as it existed on the date the application was deemed complete, and the jurisdiction has adopted a revised housing element in accordance with Section 65588 that is in substantial compliance with this article. For purposes of this section, a change to the zoning ordinance or general plan land use designation subsequent to the date the application was deemed complete shall not constitute a valid basis to disapprove or condition approval of the housing development project or emergency shelter.

(A) This paragraph cannot be utilized to disapprove or conditionally approve a housing development project if the housing development project is proposed on a site that is identified as suitable or available for very low, low-, or moderate-income households in the jurisdiction's housing element, and consistent with the density specified in the housing element, even though it is inconsistent with both the jurisdiction's zoning ordinance and general plan land use designation.

(B) If the local agency has failed to identify in the inventory of land in its housing element sites that can be developed for housing within the planning period and are sufficient to provide for the jurisdiction's share of the regional housing need for all income levels pursuant to Section 65584, then this paragraph shall not be utilized to disapprove or conditionally approve a housing development project proposed for a site designated in any element of the general plan for residential uses or designated in any element of the general plan for commercial uses if residential uses are permitted or conditionally permitted within commercial designations. In any action in court, the burden of proof shall be on the local agency to show that its housing element does identify adequate sites with appropriate zoning and development standards and with services and facilities to accommodate the local agency's share of the regional housing need for the very low, low-, and moderate-income categories.

(C) If the local agency has failed to identify a zone or zones where emergency shelters are allowed as a permitted use without a conditional use or other discretionary permit, has failed to demonstrate that the identified zone or zones include sufficient capacity to accommodate the need for emergency shelter identified in paragraph (7) of subdivision (a) of Section 65583, or has failed to demonstrate that the identified zone or zones can accommodate at least one emergency shelter, as required by paragraph (4) of subdivision (a) of Section 65583, then this paragraph shall not be utilized to disapprove or conditionally approve an emergency shelter proposed for a site designated in any element of the general plan for industrial, commercial, or multifamily residential uses. In any action in court, the burden of proof shall be on the local agency to show that its housing element does satisfy the requirements of paragraph (4) of subdivision (a) of Section 65583.

(e) Nothing in this section shall be construed to relieve the local agency from complying with the congestion management program required by

Chapter 2.6 (commencing with Section 65088) of Division 1 of Title 7 or the California Coastal Act of 1976 (Division 20 (commencing with Section 30000) of the Public Resources Code). Neither shall anything in this section be construed to relieve the local agency from making one or more of the findings required pursuant to Section 21081 of the Public Resources Code or otherwise complying with the California Environmental Quality Act (Division 13 (commencing with Section 21000) of the Public Resources Code).

(f) (1) Except as provided in subdivision (o), nothing in this section shall be construed to prohibit a local agency from requiring the housing development project to comply with objective, quantifiable, written development standards, conditions, and policies appropriate to, and consistent with, meeting the jurisdiction's share of the regional housing need pursuant to Section 65584. However, the development standards, conditions, and policies shall be applied to facilitate and accommodate development at the density permitted on the site and proposed by the development.

(2) Except as provided in subdivision (o), nothing in this section shall be construed to prohibit a local agency from requiring an emergency shelter project to comply with objective, quantifiable, written development standards, conditions, and policies that are consistent with paragraph (4) of subdivision (a) of Section 65583 and appropriate to, and consistent with, meeting the jurisdiction's need for emergency shelter, as identified pursuant to paragraph (7) of subdivision (a) of Section 65583. However, the development standards, conditions, and policies shall be applied by the local agency to facilitate and accommodate the development of the emergency shelter project.

(3) Except as provided in subdivision (o), nothing in this section shall be construed to prohibit a local agency from imposing fees and other exactions otherwise authorized by law that are essential to provide necessary public services and facilities to the housing development project or emergency shelter.

(4) For purposes of this section, a housing development project or emergency shelter shall be deemed consistent, compliant, and in conformity with an applicable plan, program, policy, ordinance, standard, requirement, or other similar provision if there is substantial evidence that would allow a reasonable person to conclude that the housing development project or emergency shelter is consistent, compliant, or in conformity.

(g) This section shall be applicable to charter cities because the Legislature finds that the lack of housing, including emergency shelter, is a critical statewide problem.

(h) The following definitions apply for the purposes of this section:

(1) "Feasible" means capable of being accomplished in a successful manner within a reasonable period of time, taking into account economic, environmental, social, and technological factors.

(2) "Housing development project" means a use consisting of any of the following:

(A) Residential units only.

(B) Mixed-use developments consisting of residential and nonresidential uses with at least two-thirds of the square footage designated for residential use.

(C) Transitional housing or supportive housing.

(3) “Housing for very low, low-, or moderate-income households” means that either (A) at least 20 percent of the total units shall be sold or rented to lower income households, as defined in Section 50079.5 of the Health and Safety Code, or (B) 100 percent of the units shall be sold or rented to persons and families of moderate income as defined in Section 50093 of the Health and Safety Code, or persons and families of middle income, as defined in Section 65008 of this code. Housing units targeted for lower income households shall be made available at a monthly housing cost that does not exceed 30 percent of 60 percent of area median income with adjustments for household size made in accordance with the adjustment factors on which the lower income eligibility limits are based. Housing units targeted for persons and families of moderate income shall be made available at a monthly housing cost that does not exceed 30 percent of 100 percent of area median income with adjustments for household size made in accordance with the adjustment factors on which the moderate-income eligibility limits are based.

(4) “Area median income” means area median income as periodically established by the Department of Housing and Community Development pursuant to Section 50093 of the Health and Safety Code. The developer shall provide sufficient legal commitments to ensure continued availability of units for very low or low-income households in accordance with the provisions of this subdivision for 30 years.

(5) Notwithstanding any other law, until January 1, 2030, “deemed complete” means that the applicant has submitted a preliminary application pursuant to Section 65941.1 or, if the applicant has not submitted a preliminary application, has submitted a complete application pursuant to Section 65943.

(6) “Disapprove the housing development project” includes any instance in which a local agency does either of the following:

(A) Votes on a proposed housing development project application and the application is disapproved, including any required land use approvals or entitlements necessary for the issuance of a building permit.

(B) Fails to comply with the time periods specified in subdivision (a) of Section 65950. An extension of time pursuant to Article 5 (commencing with Section 65950) shall be deemed to be an extension of time pursuant to this paragraph.

(7) “Lower density” includes any conditions that have the same effect or impact on the ability of the project to provide housing.

(8) Until January 1, 2030, “objective” means involving no personal or subjective judgment by a public official and being uniformly verifiable by reference to an external and uniform benchmark or criterion available and knowable by both the development applicant or proponent and the public official.

(9) Notwithstanding any other law, until January 1, 2030, “determined to be complete” means that the applicant has submitted a complete application pursuant to Section 65943.

(i) If any city, county, or city and county denies approval or imposes conditions, including design changes, lower density, or a reduction of the percentage of a lot that may be occupied by a building or structure under the applicable planning and zoning in force at the time the housing development project’s application is complete, that have a substantial adverse effect on the viability or affordability of a housing development for very low, low-, or moderate-income households, and the denial of the development or the imposition of conditions on the development is the subject of a court action which challenges the denial or the imposition of conditions, then the burden of proof shall be on the local legislative body to show that its decision is consistent with the findings as described in subdivision (d), and that the findings are supported by a preponderance of the evidence in the record, and with the requirements of subdivision (o).

(j) (1) When a proposed housing development project complies with applicable, objective general plan, zoning, and subdivision standards and criteria, including design review standards, in effect at the time that the application was deemed complete, but the local agency proposes to disapprove the project or to impose a condition that the project be developed at a lower density, the local agency shall base its decision regarding the proposed housing development project upon written findings supported by a preponderance of the evidence on the record that both of the following conditions exist:

(A) The housing development project would have a specific, adverse impact upon the public health or safety unless the project is disapproved or approved upon the condition that the project be developed at a lower density. As used in this paragraph, a “specific, adverse impact” means a significant, quantifiable, direct, and unavoidable impact, based on objective, identified written public health or safety standards, policies, or conditions as they existed on the date the application was deemed complete.

(B) There is no feasible method to satisfactorily mitigate or avoid the adverse impact identified pursuant to paragraph (1), other than the disapproval of the housing development project or the approval of the project upon the condition that it be developed at a lower density.

(2) (A) If the local agency considers a proposed housing development project to be inconsistent, not in compliance, or not in conformity with an applicable plan, program, policy, ordinance, standard, requirement, or other similar provision as specified in this subdivision, it shall provide the applicant with written documentation identifying the provision or provisions, and an explanation of the reason or reasons it considers the housing development to be inconsistent, not in compliance, or not in conformity as follows:

(i) Within 30 days of the date that the application for the housing development project is determined to be complete, if the housing development project contains 150 or fewer housing units.

(ii) Within 60 days of the date that the application for the housing development project is determined to be complete, if the housing development project contains more than 150 units.

(B) If the local agency fails to provide the required documentation pursuant to subparagraph (A), the housing development project shall be deemed consistent, compliant, and in conformity with the applicable plan, program, policy, ordinance, standard, requirement, or other similar provision.

(3) For purposes of this section, the receipt of a density bonus, incentive, concession, waiver, or reduction of development standards pursuant to Section 65915 shall not constitute a valid basis on which to find a proposed housing development project is inconsistent, not in compliance, or not in conformity, with an applicable plan, program, policy, ordinance, standard, requirement, or other similar provision specified in this subdivision.

(4) For purposes of this section, a proposed housing development project is not inconsistent with the applicable zoning standards and criteria, and shall not require a rezoning, if the housing development project is consistent with the objective general plan standards and criteria but the zoning for the project site is inconsistent with the general plan. If the local agency has complied with paragraph (2), the local agency may require the proposed housing development project to comply with the objective standards and criteria of the zoning which is consistent with the general plan, however, the standards and criteria shall be applied to facilitate and accommodate development at the density allowed on the site by the general plan and proposed by the proposed housing development project.

(k) (1) (A) (i) The applicant, a person who would be eligible to apply for residency in the housing development project or emergency shelter, or a housing organization may bring an action to enforce this section. If, in any action brought to enforce this section, a court finds that any of the following are met, the court shall issue an order pursuant to clause (ii):

(I) The local agency, in violation of subdivision (d), disapproved a housing development project or conditioned its approval in a manner rendering it infeasible for the development of an emergency shelter, or housing for very low, low-, or moderate-income households, including farmworker housing, without making the findings required by this section or without making findings supported by a preponderance of the evidence.

(II) The local agency, in violation of subdivision (j), disapproved a housing development project complying with applicable, objective general plan and zoning standards and criteria, or imposed a condition that the project be developed at a lower density, without making the findings required by this section or without making findings supported by a preponderance of the evidence.

(III) (ia) Subject to sub-subclause (ib), the local agency, in violation of subdivision (o), required or attempted to require a housing development project to comply with an ordinance, policy, or standard not adopted and in effect when a preliminary application was submitted.

(ib) This subclause shall become inoperative on January 1, 2030.

(ii) If the court finds that one of the conditions in clause (i) is met, the court shall issue an order or judgment compelling compliance with this section within 60 days, including, but not limited to, an order that the local agency take action on the housing development project or emergency shelter. The court may issue an order or judgment directing the local agency to approve the housing development project or emergency shelter if the court finds that the local agency acted in bad faith when it disapproved or conditionally approved the housing development or emergency shelter in violation of this section. The court shall retain jurisdiction to ensure that its order or judgment is carried out and shall award reasonable attorney's fees and costs of suit to the plaintiff or petitioner, except under extraordinary circumstances in which the court finds that awarding fees would not further the purposes of this section.

(B) Upon a determination that the local agency has failed to comply with the order or judgment compelling compliance with this section within 60 days issued pursuant to subparagraph (A), the court shall impose fines on a local agency that has violated this section and require the local agency to deposit any fine levied pursuant to this subdivision into a local housing trust fund. The local agency may elect to instead deposit the fine into the Building Homes and Jobs Trust Fund. The fine shall be in a minimum amount of ten thousand dollars (\$10,000) per housing unit in the housing development project on the date the application was deemed complete pursuant to Section 65943. In determining the amount of fine to impose, the court shall consider the local agency's progress in attaining its target allocation of the regional housing need pursuant to Section 65584 and any prior violations of this section. Fines shall not be paid out of funds already dedicated to affordable housing, including, but not limited to, Low and Moderate Income Housing Asset Funds, funds dedicated to housing for very low, low-, and moderate-income households, and federal HOME Investment Partnerships Program and Community Development Block Grant Program funds. The local agency shall commit and expend the money in the local housing trust fund within five years for the sole purpose of financing newly constructed housing units affordable to extremely low, very low, or low-income households. After five years, if the funds have not been expended, the money shall revert to the state and be deposited in the Building Homes and Jobs Trust Fund for the sole purpose of financing newly constructed housing units affordable to extremely low, very low, or low-income households.

(C) If the court determines that its order or judgment has not been carried out within 60 days, the court may issue further orders as provided by law to ensure that the purposes and policies of this section are fulfilled, including, but not limited to, an order to vacate the decision of the local agency and to approve the housing development project, in which case the application for the housing development project, as proposed by the applicant at the time the local agency took the initial action determined to be in violation of this section, along with any standard conditions determined by the court to be generally imposed by the local agency on similar projects, shall be

deemed to be approved unless the applicant consents to a different decision or action by the local agency.

(2) For purposes of this subdivision, “housing organization” means a trade or industry group whose local members are primarily engaged in the construction or management of housing units or a nonprofit organization whose mission includes providing or advocating for increased access to housing for low-income households and have filed written or oral comments with the local agency prior to action on the housing development project. A housing organization may only file an action pursuant to this section to challenge the disapproval of a housing development by a local agency. A housing organization shall be entitled to reasonable attorney’s fees and costs if it is the prevailing party in an action to enforce this section.

(l) If the court finds that the local agency (1) acted in bad faith when it disapproved or conditionally approved the housing development or emergency shelter in violation of this section and (2) failed to carry out the court’s order or judgment within 60 days as described in subdivision (k), the court, in addition to any other remedies provided by this section, shall multiply the fine determined pursuant to subparagraph (B) of paragraph (1) of subdivision (k) by a factor of five. For purposes of this section, “bad faith” includes, but is not limited to, an action that is frivolous or otherwise entirely without merit.

(m) Any action brought to enforce the provisions of this section shall be brought pursuant to Section 1094.5 of the Code of Civil Procedure, and the local agency shall prepare and certify the record of proceedings in accordance with subdivision (c) of Section 1094.6 of the Code of Civil Procedure no later than 30 days after the petition is served, provided that the cost of preparation of the record shall be borne by the local agency, unless the petitioner elects to prepare the record as provided in subdivision (n) of this section. A petition to enforce the provisions of this section shall be filed and served no later than 90 days from the later of (1) the effective date of a decision of the local agency imposing conditions on, disapproving, or any other final action on a housing development project or (2) the expiration of the time periods specified in subparagraph (B) of paragraph (5) of subdivision (h). Upon entry of the trial court’s order, a party may, in order to obtain appellate review of the order, file a petition within 20 days after service upon it of a written notice of the entry of the order, or within such further time not exceeding an additional 20 days as the trial court may for good cause allow, or may appeal the judgment or order of the trial court under Section 904.1 of the Code of Civil Procedure. If the local agency appeals the judgment of the trial court, the local agency shall post a bond, in an amount to be determined by the court, to the benefit of the plaintiff if the plaintiff is the project applicant.

(n) In any action, the record of the proceedings before the local agency shall be filed as expeditiously as possible and, notwithstanding Section 1094.6 of the Code of Civil Procedure or subdivision (m) of this section, all or part of the record may be prepared (1) by the petitioner with the petition or petitioner’s points and authorities, (2) by the respondent with respondent’s

points and authorities, (3) after payment of costs by the petitioner, or (4) as otherwise directed by the court. If the expense of preparing the record has been borne by the petitioner and the petitioner is the prevailing party, the expense shall be taxable as costs.

(o) (1) Subject to paragraphs (2), (6), and (7), and subdivision (d) of Section 65941.1, a housing development project shall be subject only to the ordinances, policies, and standards adopted and in effect when a preliminary application including all of the information required by subdivision (a) of Section 65941.1 was submitted.

(2) Paragraph (1) shall not prohibit a housing development project from being subject to ordinances, policies, and standards adopted after the preliminary application was submitted pursuant to Section 65941.1 in the following circumstances:

(A) In the case of a fee, charge, or other monetary exaction, to an increase resulting from an automatic annual adjustment based on an independently published cost index that is referenced in the ordinance or resolution establishing the fee or other monetary exaction.

(B) A preponderance of the evidence in the record establishes that subjecting the housing development project to an ordinance, policy, or standard beyond those in effect when a preliminary application was submitted is necessary to mitigate or avoid a specific, adverse impact upon the public health or safety, as defined in subparagraph (A) of paragraph (1) of subdivision (j), and there is no feasible alternative method to satisfactorily mitigate or avoid the adverse impact.

(C) Subjecting the housing development project to an ordinance, policy, standard, or any other measure, beyond those in effect when a preliminary application was submitted is necessary to avoid or substantially lessen an impact of the project under the California Environmental Quality Act (Division 13 (commencing with Section 21000) of the Public Resources Code).

(D) The housing development project has not commenced construction within two and one-half years, or three and one-half years for an affordable housing project, following the date that the project received final approval. For purposes of this subparagraph:

(i) “Affordable housing project” means a housing development that satisfies both of the following requirements:

(I) Units within the development are subject to a recorded affordability restriction for at least 55 years.

(II) All of the units within the development, excluding managers’ units, are dedicated to lower income households, as defined by Section 50079.5 of the Health and Safety Code.

(ii) “Final approval” means that the housing development project has received all necessary approvals to be eligible to apply for, and obtain, a building permit or permits and either of the following is met:

(I) The expiration of all applicable appeal periods, petition periods, reconsideration periods, or statute of limitations for challenging that final

approval without an appeal, petition, request for reconsideration, or legal challenge having been filed.

(II) If a challenge is filed, that challenge is fully resolved or settled in favor of the housing development project.

(E) The housing development project is revised following submittal of a preliminary application pursuant to Section 65941.1 such that the number of residential units or square footage of construction changes by 20 percent or more, exclusive of any increase resulting from the receipt of a density bonus, incentive, concession, waiver, or similar provision, including any other locally authorized program that offers additional density or other development bonuses when affordable housing is provided. For purposes of this subdivision, “square footage of construction” means the building area, as defined by the California Building Standards Code (Title 24 of the California Code of Regulations).

(3) This subdivision does not prevent a local agency from subjecting the additional units or square footage of construction that result from project revisions occurring after a preliminary application is submitted pursuant to Section 65941.1 to the ordinances, policies, and standards adopted and in effect when the preliminary application was submitted.

(4) For purposes of this subdivision, “ordinances, policies, and standards” includes general plan, community plan, specific plan, zoning, design review standards and criteria, subdivision standards and criteria, and any other rules, regulations, requirements, and policies of a local agency, as defined in Section 66000, including those relating to development impact fees, capacity or connection fees or charges, permit or processing fees, and other exactions.

(5) This subdivision shall not be construed in a manner that would lessen the restrictions imposed on a local agency, or lessen the protections afforded to a housing development project, that are established by any other law, including any other part of this section.

(6) This subdivision shall not restrict the authority of a public agency or local agency to require mitigation measures to lessen the impacts of a housing development project under the California Environmental Quality Act (Division 13 (commencing with Section 21000) of the Public Resources Code).

(7) With respect to completed residential units for which the project approval process is complete and a certificate of occupancy has been issued, nothing in this subdivision shall limit the application of later enacted ordinances, policies, and standards that regulate the use and occupancy of those residential units, such as ordinances relating to rental housing inspection, rent stabilization, restrictions on short-term renting, and business licensing requirements for owners of rental housing.

(8) (A) This subdivision shall apply to a housing development project that submits a preliminary application pursuant to Section 65941.1 before January 1, 2030.

(B) This subdivision shall become inoperative on January 1, 2034.

(p) This section shall be known, and may be cited, as the Housing Accountability Act.

SEC. 9. Section 65651 of the Government Code is amended to read:

65651. (a) Supportive housing shall be a use by right in zones where multifamily and mixed uses are permitted, including nonresidential zones permitting multifamily uses, if the proposed housing development satisfies all of the following requirements:

(1) Units within the development are subject to a recorded affordability restriction for 55 years.

(2) One hundred percent of the units, excluding managers' units, within the development are restricted to lower income households and are or will be receiving public funding to ensure affordability of the housing to lower income Californians. For purposes of this paragraph, "lower income households" has the same meaning as defined in Section 50079.5 of the Health and Safety Code. The rents in the development shall be set at an amount consistent with the rent limits stipulated by the public program providing financing for the development.

(3) At least 25 percent of the units in the development or 12 units, whichever is greater, are restricted to residents in supportive housing who meet criteria of the target population. If the development consists of fewer than 12 units, then 100 percent of the units, excluding managers' units, in the development shall be restricted to residents in supportive housing.

(4) The developer provides the planning agency with the information required by Section 65652.

(5) Nonresidential floor area shall be used for onsite supportive services in the following amounts:

(A) For a development with 20 or fewer total units, at least 90 square feet shall be provided for onsite supportive services.

(B) For a development with more than 20 units, at least 3 percent of the total nonresidential floor area shall be provided for onsite supportive services that are limited to tenant use, including, but not limited to, community rooms, case management offices, computer rooms, and community kitchens.

(6) The developer replaces any dwelling units on the site of the supportive housing development in the manner provided in paragraph (3) of subdivision (c) of Section 65915.

(7) Units within the development, excluding managers' units, include at least one bathroom and a kitchen or other cooking facilities, including, at minimum, a stovetop, a sink, and a refrigerator.

(b) (1) The local government may require a supportive housing development subject to this article to comply with written, objective development standards and policies. However, the local government shall only require the development to comply with the objective development standards and policies that apply to other multifamily development within the same zone.

(2) The local government's review of a supportive housing development to determine whether the development complies with objective development standards, including objective design review standards, pursuant to this

subdivision shall be conducted consistent with the requirements of subdivision (f) of Section 65589.5, and shall not constitute a “project” for purposes of Division 13 (commencing with Section 21000) of the Public Resources Code.

(3) Any discretion exercised by a local government in determining whether a project qualifies as a use by right pursuant to this article or discretion otherwise exercised pursuant to this section does not affect that local government’s determination that a supportive housing development qualifies as a use by right pursuant to this article.

(c) Notwithstanding any other provision of this section to the contrary, the local government shall, at the request of the project owner, reduce the number of residents required to live in supportive housing if the project-based rental assistance or operating subsidy for a supportive housing project is terminated through no fault of the project owner, but only if all of the following conditions have been met:

(1) The owner demonstrates that it has made good faith efforts to find other sources of financial support.

(2) Any change in the number of supportive housing units is restricted to the minimum necessary to maintain the project’s financial feasibility.

(3) Any change to the occupancy of the supportive housing units is made in a manner that minimizes tenant disruption and only upon the vacancy of any supportive housing units.

(d) If the proposed housing development is located within a city with a population of fewer than 200,000 or the unincorporated area of a county with a population of fewer than 200,000, and the city or the unincorporated area of the county has a population of persons experiencing homelessness of 1,500 or fewer, according to the most recently published homeless point-in-time count, the development, in addition to the requirements of subdivision (a), shall consist of 50 units or fewer to be a use by right pursuant to this article. A city or county described in this subdivision may develop a policy to approve as a use by right proposed housing developments with a limit higher than 50 units. A policy by a city or county to approve as a use by right proposed housing developments with a limit higher than 50 units does not constitute a “project” for purposes of Division 13 (commencing with Section 21000) of the Public Resources Code.

(e) This article does not prohibit a local government from imposing fees and other exactions otherwise authorized by law that are essential to provide necessary public services and facilities to housing developments. However, a local government shall not adopt any requirement, including, but not limited to, increased fees or other exactions, that applies to a project solely or partially on the basis that the project constitutes a permanent supportive housing development or based on the development’s eligibility to receive ministerial approval pursuant to this article.

SEC. 10. Section 65863.10 of the Government Code is amended to read:

65863.10. (a) As used in this section, the following terms have the following meanings:

(1) “Affected public entities” means the mayor of the city in which the assisted housing development is located, or, if located in an unincorporated area, the chair of the board of supervisors of the county; the appropriate local public housing authority, if any; and the Department of Housing and Community Development.

(2) “Affected tenant” means a tenant household residing in an assisted housing development, as defined in paragraph (3), at the time notice is required to be provided pursuant to this section, that benefits from the government assistance.

(3) “Assisted housing development” means a multifamily rental housing development of five or more units that receives governmental assistance under any of the following programs:

(A) New construction, substantial rehabilitation, moderate rehabilitation, property disposition, and loan management set-aside programs, or any other program providing project-based assistance, under Section 8 of the United States Housing Act of 1937, as amended (42 U.S.C. Sec. 1437f).

(B) The following federal programs:

(i) The Below-Market-Interest-Rate Program under Section 221(d)(3) of the National Housing Act (12 U.S.C. Sec. 1715 l(d)(3) and (5)).

(ii) Section 236 of the National Housing Act (12 U.S.C. Sec. 1715z-1).

(iii) Section 202 of the Housing Act of 1959 (12 U.S.C. Sec. 1701q).

(C) Programs for rent supplement assistance under Section 101 of the Housing and Urban Development Act of 1965, as amended (12 U.S.C. Sec. 1701s).

(D) Programs under Sections 514, 515, 516, 533, and 538 of the Housing Act of 1949, as amended (42 U.S.C. Sec. 1485).

(E) Section 42 of the Internal Revenue Code.

(F) Section 142(d) of the Internal Revenue Code or its predecessors (tax-exempt private activity mortgage revenue bonds).

(G) Section 147 of the Internal Revenue Code (Section 501(c)(3) bonds).

(H) Title I of the Housing and Community Development Act of 1974, as amended (Community Development Block Grant Program).

(I) Title II of the Cranston-Gonzalez National Affordable Housing Act of 1990, as amended (HOME Investment Partnership Program).

(J) Titles IV and V of the McKinney-Vento Homeless Assistance Act of 1987, as amended, including the Department of Housing and Urban Development’s Supportive Housing Program, Shelter Plus Care Program, and surplus federal property disposition program.

(K) Grants and loans made by the Department of Housing and Community Development, including the Rental Housing Construction Program, CHRP-R, and other rental housing finance programs.

(L) Chapter 1138 of the Statutes of 1987.

(M) The following assistance provided by counties or cities in exchange for restrictions on the maximum rents that may be charged for units within a multifamily rental housing development and on the maximum tenant income as a condition of eligibility for occupancy of the unit subject to the rent restriction, as reflected by a recorded agreement with a county or city:

(i) Loans or grants provided using tax increment financing pursuant to the Community Redevelopment Law (Part 1 (commencing with Section 33000) of Division 24 of the Health and Safety Code).

(ii) Local housing trust funds, as referred to in paragraph (3) of subdivision (a) of Section 50843 of the Health and Safety Code.

(iii) The sale or lease of public property at or below market rates.

(iv) The granting of density bonuses, or concessions or incentives, including fee waivers, parking variances, or amendments to general plans, zoning, or redevelopment project area plans, pursuant to Chapter 4.3 (commencing with Section 65915).

Assistance pursuant to this subparagraph shall not include the use of tenant-based Housing Choice Vouchers (Section 8(o) of the United States Housing Act of 1937, 42 U.S.C. Sec. 1437f(o), excluding subparagraph (13) relating to project-based assistance). Restrictions shall not include any rent control or rent stabilization ordinance imposed by a county, city, or city and county.

(4) “City” means a general law city, a charter city, or a city and county.

(5) “Expiration of rental restrictions” means the expiration of rental restrictions for an assisted housing development described in paragraph (3) unless the development has other recorded agreements restricting the rent to the same or lesser levels for at least 50 percent of the units.

(6) “Low or moderate income” means having an income as defined in Section 50093 of the Health and Safety Code.

(7) “Owner” means an individual, corporation, association, partnership, joint venture, or business entity that holds title to the land on which an assisted housing development is located. If the assisted housing development is the subject of a leasehold interest, “owner” also means an individual, corporation, association, partnership, joint venture, or business entity that holds a leasehold interest in the assisted housing development, and the owner holding title to the land and the owner with a leasehold interest in the assisted housing development shall be jointly responsible for compliance.

(8) “Prepayment” means the payment in full or refinancing of the federally insured or federally held mortgage indebtedness prior to its original maturity date, or the voluntary cancellation of mortgage insurance, on an assisted housing development described in paragraph (3) that would have the effect of removing the current rent or occupancy or rent and occupancy restrictions contained in the applicable laws and the regulatory agreement.

(9) “Termination” means an owner’s decision not to extend or renew its participation in a federal, state, or local government subsidy program or private, nongovernmental subsidy program for an assisted housing development described in paragraph (3), either at or prior to the scheduled date of the expiration of the contract, that may result in an increase in tenant rents or a change in the form of the subsidy from project-based to tenant-based.

(b) (1) At least 12 months prior to the anticipated date of the termination of a subsidy contract, the expiration of rental restrictions, or prepayment on an assisted housing development, the owner proposing the termination or

prepayment of governmental assistance or the owner of an assisted housing development in which there will be the expiration of rental restrictions shall provide a notice of the proposed change to each affected tenant household residing in the assisted housing development at the time the notice is provided and to the affected public entities. An owner who meets the requirements of Section 65863.13 shall be exempt from providing that notice. The notice shall contain all of the following:

(A) In the event of termination, a statement that the owner intends to terminate the subsidy contract or rental restrictions upon its expiration date, or the expiration date of any contract extension thereto.

(B) In the event of the expiration of rental restrictions, a statement that the restrictions will expire, and in the event of prepayment, termination, or the expiration of rental restrictions whether the owner intends to increase rents during the 12 months following prepayment, termination, or the expiration of rental restrictions to a level greater than permitted under Section 42 of the Internal Revenue Code.

(C) In the event of prepayment, a statement that the owner intends to pay in full or refinance the federally insured or federally held mortgage indebtedness prior to its original maturity date, or voluntarily cancel the mortgage insurance.

(D) The anticipated date of the termination, prepayment of the federal or other program or expiration of rental restrictions, and the identity of the federal or other program described in subdivision (a).

(E) A statement that the proposed change would have the effect of removing the current low-income affordability restrictions in the applicable contract or regulatory agreement.

(F) A statement whether or not the applicable program allows the owner to elect to keep the housing in the program after the proposed termination or prepayment date and, if so, a statement as to whether the owner expects to elect to keep the housing in the program after such date if allowed.

(G) A statement whether other governmental assistance will be provided to tenants residing in the development at the time of the termination of the subsidy contract or prepayment.

(H) A statement that a subsequent notice of the proposed change, including anticipated changes in rents, if any, for the development, will be provided at least six months prior to the anticipated date of termination of the subsidy contract, or expiration of rental restrictions, or prepayment.

(I) A statement that the notice of opportunity to submit an offer to purchase has been sent to qualified entities, is attached to or included in the notice, and is posted in the common area of the development, as required in Section 65863.11.

(2) Notwithstanding paragraph (1), if an owner provides a copy of a federally required notice of termination of a subsidy contract or prepayment at least 12 months prior to the proposed change to each affected tenant household residing in the assisted housing development at the time the notice is provided and to the affected public entities, the owner shall be deemed in compliance with this subdivision, if the notice is in compliance with all

federal laws. However, the federally required notice does not satisfy the requirements of Section 65863.11.

(c) (1) At least six months prior to the anticipated date of termination of a subsidy contract, expiration of rental restrictions or prepayment on an assisted housing development, the owner proposing the termination or prepayment of governmental assistance or the owner of an assisted housing development in which there will be the expiration of rental restrictions shall provide a notice of the proposed change to each affected tenant household residing in the assisted housing development at the time the notice is provided and to the affected public entities. An owner who meets the requirements of Section 65863.13 shall be exempt from providing that notice.

(2) The notice to the tenants shall contain all of the following:

(A) The anticipated date of the termination or prepayment of the federal or other program, or the expiration of rental restrictions, and the identity of the federal or other program, as described in subdivision (a).

(B) The current rent and rent anticipated for the unit during the 12 months immediately following the date of the prepayment or termination of the federal or other program, or expiration of rental restrictions.

(C) A statement that a copy of the notice will be sent to the city, county, or city and county, where the assisted housing development is located, to the appropriate local public housing authority, if any, and to the Department of Housing and Community Development.

(D) A statement of the possibility that the housing may remain in the federal or other program after the proposed date of subsidy termination or prepayment if the owner elects to do so under the terms of the federal government's or other program administrator's offer or that a rent increase may not take place due to the expiration of rental restrictions.

(E) A statement of the owner's intention to participate in any current replacement subsidy program made available to the affected tenants.

(F) The name and telephone number of the city, county, or city and county, the appropriate local public housing authority, if any, the Department of Housing and Community Development, and a legal services organization, that can be contacted to request additional written information about an owner's responsibilities and the rights and options of an affected tenant.

(3) In addition to the information provided in the notice to the affected tenant, the notice to the affected public entities shall contain information regarding the number of affected tenants in the project, the number of units that are government assisted and the type of assistance, the number of the units that are not government assisted, the number of bedrooms in each unit that is government assisted, and the ages and income of the affected tenants. The notice shall briefly describe the owner's plans for the project, including any timetables or deadlines for actions to be taken and specific governmental approvals that are required to be obtained, the reason the owner seeks to terminate the subsidy contract or prepay the mortgage, and any contacts the owner has made or is making with other governmental agencies or other interested parties in connection with the notice. The owner shall also attach

a copy of any federally required notice of the termination of the subsidy contract or prepayment that was provided at least six months prior to the proposed change. The information contained in the notice shall be based on data that is reasonably available from existing written tenant and project records.

(d) The owner proposing the termination or prepayment of governmental assistance or the owner of an assisted housing development in which there will be the expiration of rental restrictions shall provide additional notice of any significant changes to the notice required by subdivision (c) within seven business days to each affected tenant household residing in the assisted housing development at the time the notice is provided and to the affected public entities. “Significant changes” shall include, but not be limited to, any changes to the date of termination or prepayment, or expiration of rental restrictions or the anticipated new rent.

(e) (1) An owner who is subject to the requirements of this section shall also provide a copy of any notices issued to existing tenants pursuant to subdivision (b), (c), or (d) to any prospective tenant at the time the prospective tenant is interviewed for eligibility.

(2) The owner of an assisted housing development that is within three years of a scheduled expiration of rental restrictions shall also provide notice of the scheduled expiration of rental restrictions to any prospective tenant at the time the prospective tenant is interviewed for eligibility, and to existing tenants by posting the notice in an accessible location of the property. This notice shall also be provided to affected public entities. This paragraph is applicable only to owners of assisted housing developments where the rental restrictions are scheduled to expire after January 1, 2021.

(f) This section shall not require the owner to obtain or acquire additional information that is not contained in the existing tenant and project records, or to update any information in the owner’s records. The owner shall not be held liable for any inaccuracies contained in these records or from other sources, nor shall the owner be liable to any party for providing this information.

(g) (1) For purposes of this section, service of the notice to the affected tenants shall be made by first-class mail postage prepaid.

(2) For purposes of this section, service of notice to the city, county, city and county, appropriate local public housing authority, if any, and the Department of Housing and Community Development shall be made by either first-class mail postage prepaid or electronically to any public entity that has provided an email address for that purpose.

(h) Nothing in this section shall enlarge or diminish the authority, if any, that a city, county, city and county, affected tenant, or owner may have, independent of this section.

(i) If, prior to January 1, 2001, the owner has already accepted a bona fide offer from a qualified entity, as defined in subdivision (c) of Section 65863.11, and has complied with this section as it existed prior to January 1, 2001, at the time the owner decides to sell or otherwise dispose of the development, the owner shall be deemed in compliance with this section.

(j) Injunctive relief shall be available to any party identified in paragraph (1) or (2) of subdivision (a) who is aggrieved by a violation of this section. Injunctive relief pursuant to this subdivision may include, but is not limited to, reimposition of the prior restrictions until any required notice is provided and the required period has elapsed, and restitution of any rent increases collected without compliance with this section. In a judicial action brought pursuant to this subdivision, the court may award attorney's fees and costs to a prevailing plaintiff.

(k) The Director of Housing and Community Development shall approve forms to be used by owners to comply with subdivisions (b), (c), and (e). Once the director has approved the forms, an owner shall use the approved forms to comply with subdivisions (b), (c), and (e).

SEC. 11. Section 65863.11 of the Government Code is amended to read:  
65863.11. (a) Terms used in this section shall be defined as follows:

(1) "Assisted housing development" and "development" shall have the same meaning as paragraph (3) of subdivision (a) of Section 65863.10.

(2) "Owner" shall have the same meaning as in paragraph (7) of subdivision (a) of Section 65863.10.

(3) "Tenant" means a tenant, subtenant, lessee, sublessee, or other person legally in possession or occupying the assisted housing development.

(4) "Tenant association" means a group of tenants who have formed a nonprofit corporation, cooperative corporation, or other entity or organization, or a local nonprofit, regional, or national organization whose purpose includes the acquisition of an assisted housing development and that represents the interest of at least a majority of the tenants in the assisted housing development.

(5) "Low or moderate income" means having an income as defined in Section 50093 of the Health and Safety Code.

(6) "Very low income" means having an income as defined in Section 50105 of the Health and Safety Code.

(7) "Local nonprofit organizations" means not-for-profit corporations organized pursuant to Division 2 (commencing with Section 5000) of Title 1 of the Corporations Code that have as their principal purpose the ownership, development, or management of housing or community development projects for persons and families of low or moderate income and very low income, and which have a broadly representative board, a majority of whose members are community based and have a proven track record of local community service.

(8) "Local public agencies" means housing authorities, redevelopment agencies, or any other agency of a city, county, or city and county, whether general law or chartered, which are authorized to own, develop, or manage housing or community development projects for persons and families of low or moderate income and very low income.

(9) "Regional or national organizations" means not-for-profit, charitable corporations organized on a multicounty, state, or multistate basis that have as their principal purpose the ownership, development, or management of housing or community development projects for persons and families of

low or moderate income and very low income and own and operate at least three comparable rent- and income-restricted affordable rental properties governed under a regulatory agreement with a department or agency of the State of California or the United States, either directly or by serving as the managing general partner of limited partnerships or managing member of limited liability corporations.

(10) “Regional or national public agencies” means multicounty, state, or multistate agencies that are authorized to own, develop, or manage housing or community development projects for persons and families of low or moderate income and very low income and own and operate at least three comparable rent- and income-restricted affordable rental properties governed under a regulatory agreement with a department or agency of the State of California or the United States, either directly or by serving as the managing general partner of limited partnerships or managing member of limited liability corporations.

(11) “Use restriction” means any federal, state, or local statute, regulation, ordinance, or contract that, as a condition of receipt of any housing assistance, including a rental subsidy, mortgage subsidy, or mortgage insurance, to an assisted housing development, establishes maximum limitations on tenant income as a condition of eligibility for occupancy of the units within a development, imposes any restrictions on the maximum rents that could be charged for any of the units within a development; or requires that rents for any of the units within a development be reviewed by any governmental body or agency before the rents are implemented.

(12) “Profit-motivated housing organizations and individuals” means individuals or two or more persons organized pursuant to Division 1 (commencing with Section 100) of Title 1 of, Division 3 (commencing with Section 1200) of Title 1 of, or Chapter 5 (commencing with Section 16100) of Title 2 of, the Corporations Code, that carry on as a business for profit and own and operate at least three comparable rent- and income-restricted affordable rental properties governed under a regulatory agreement with a department or agency of the State of California or the United States, either directly or by serving as the managing general partner of limited partnerships or managing member of limited liability corporations.

(13) “Department” means the Department of Housing and Community Development.

(14) “Offer to purchase” means an offer from a qualified or nonqualified entity that is nonbinding on the owner.

(15) “Expiration of rental restrictions” has the meaning given in paragraph (5) of subdivision (a) of Section 65863.10.

(b) An owner of an assisted housing development shall not terminate a subsidy contract or prepay the mortgage pursuant to Section 65863.10, unless the owner or its agent shall first have provided each of the entities listed in subdivision (d) an opportunity to submit an offer to purchase the development, in compliance with subdivisions (g) and (h). An owner of an assisted housing development in which there will be the expiration of rental restrictions shall also provide each of the entities listed in subdivision (d)

an opportunity to submit an offer to purchase the development, in compliance with subdivisions (g) and (h). An owner who meets the requirements of Section 65863.13 shall be exempt from this requirement.

(c) An owner of an assisted housing development shall not sell, or otherwise dispose of, the development at any time within the five years before the expiration of rental restrictions or at any time if the owner is eligible for prepayment or termination within five years unless the owner or its agent shall first have provided each of the entities listed in subdivision (d) an opportunity to submit an offer to purchase the development, in compliance with this section. An owner who meets the requirements of Section 65863.13 shall be exempt from this requirement.

(d) The entities to whom an opportunity to purchase shall be provided include only the following:

- (1) The tenant association of the development.
- (2) Local nonprofit organizations and public agencies.
- (3) Regional or national nonprofit organizations and regional or national public agencies.
- (4) Profit-motivated housing organizations or individuals.

(e) For the purposes of this section, to qualify as a purchaser of an assisted housing development, an entity listed in subdivision (d) shall do all of the following:

(1) Be certified by the department, based on demonstrated relevant prior experience in California and current capacity, as capable of operating the housing and related facilities for its remaining useful life, either by itself or through a management agent. The department shall establish a process for certifying qualified entities and maintain a list of entities that are certified, which list shall be updated at least annually.

(2) Agree to obligate itself and any successors in interest to maintain the affordability of the assisted housing development for households of very low, low, or moderate income for either a 30-year period from the date that the purchaser took legal possession of the housing or the remaining term of the existing federal government assistance specified in subdivision (a) of Section 65863.10, whichever is greater. The development shall be continuously occupied in the approximate percentages that those households who have occupied that development on the date the owner gave notice of intent or the approximate percentages specified in existing use restrictions, whichever is higher. This obligation shall be recorded before the close of escrow in the office of the county recorder of the county in which the development is located and shall contain a legal description of the property, indexed to the name of the owner as grantor. An owner that obligates itself to an enforceable regulatory agreement that will ensure for a period of not less than 30 years that rents for units occupied by low- and very low income households or that are vacant at the time of executing a purchase agreement will conform with restrictions imposed by Section 42(f) of the Internal Revenue Code shall be deemed in compliance with this paragraph. In addition, the regulatory agreement shall contain provisions requiring the

renewal of rental subsidies, should they be available, provided that assistance is at a level to maintain the project's fiscal viability.

(3) Local nonprofit organizations and public agencies shall have no member among their officers or directorate with a financial interest in assisted housing developments that have terminated a subsidy contract or prepaid a mortgage on the development without continuing the low-income restrictions.

(f) If an assisted housing development is not economically feasible, as determined by all entities with regulatory agreements and deed-restrictions on the development, a purchaser shall be entitled to remove one or more units from the rent and occupancy requirements as is necessary for the development to become economically feasible, provided that once the development is again economically feasible, the purchaser shall designate the next available units as low-income units up to the original number of those units.

(g) If an owner decides to terminate a subsidy contract, or prepay the mortgage pursuant to Section 65863.10, or sell or otherwise dispose of the assisted housing development pursuant to subdivision (b) or (c), or if the owner has an assisted housing development in which there will be the expiration of rental restrictions, the owner shall first give notice of the opportunity to offer to purchase to each qualified entity on the list provided to the owner by the department, in accordance with subdivision (o), as well as to those qualified entities that directly contact the owner. The notice of the opportunity to offer to purchase must be given before or concurrently with the notice required pursuant to Section 65863.10 for a period of at least 12 months. The owner shall contact the department to obtain the list of qualified entities. The notice shall conform to the requirements of subdivision (h) and shall be sent to the entities by registered or certified mail, return receipt requested. The owner shall also post a copy of the notice in a conspicuous place in the common area of the development.

(h) The initial notice of a bona fide opportunity to submit an offer to purchase shall contain all of the following:

(1) A statement addressing all of the following:

(A) Whether the owner intends to maintain the current number of affordable units and level of affordability.

(B) Whether the owner has an interest in selling the property.

(C) Whether the owner has executed a contract or agreement of at least five years' duration with a public entity to continue or replace subsidies to the property and to maintain an equal or greater number of units at an equal or deeper level of affordability and, if so, the length of the contract or agreement.

(2) A statement that each of the type of entities listed in subdivision (d), or any combination of them, has the right to purchase the development under this section.

(3) (A) Except as provided in subparagraph (B), a statement that the owner will make available to each of the types of entities listed in subdivision

(d), within 15 business days of receiving a request therefor, that includes all of the following:

- (i) Itemized lists of monthly operating expenses for the property.
- (ii) Capital improvements, as determined by the owner, made within each of the two preceding calendar years at the property.
- (iii) The amount of project property reserves.
- (iv) Copies of the two most recent financial and physical inspection reports on the property, if any, filed with a federal, state, or local agency.
- (v) The most recent rent roll for the property listing the rent paid for each unit and the subsidy, if any, paid by a governmental agency as of the date the notice of offer to purchase was made pursuant to subdivision (g).
- (vi) A statement of the vacancy rate at the property for each of the two preceding calendar years.
- (vii) The terms of assumable financing, if any, the terms of the subsidy contract, if any, and proposed improvements to the property to be made by the owner in connection with the sale, if any.

(B) Subparagraph (A) shall not apply if 25 percent or less of the units on the property are subject to affordability restrictions or a rent or mortgage subsidy contract.

(C) A corporation authorized pursuant to Section 52550 of the Health and Safety Code or a public entity may share information obtained pursuant to subparagraph (A) with other prospective purchasers, and shall not be required to sign a confidentiality agreement as a condition of receiving or sharing this information, provided that the information is used for the purpose of attempting to preserve the affordability of the property.

(4) A statement that the owner has satisfied all notice requirements pursuant to subdivision (b) of Section 65863.10, unless the notice of opportunity to submit an offer to purchase is delivered more than 12 months before the anticipated date of termination, prepayment, or expiration of rental restrictions.

(i) If a qualified entity elects to purchase an assisted housing development, it shall make a bona fide offer to purchase the development at the market value determined pursuant to subdivision (k), subject to the requirements of this subdivision. A qualified entity's bona fide offer to purchase shall be submitted within 180 days of the owner's notice of the opportunity to submit an offer pursuant to subdivision (g), identify whether it is a tenant association, nonprofit organization, public agency, or profit-motivated organizations or individuals, and certify, under penalty of perjury, that it is qualified pursuant to subdivision (e). If an owner has received a bona fide offer from one or more qualified entities within the first 180 days from the date of an owner's bona fide notice of the opportunity to submit an offer to purchase, the owner shall notify the department of all such offers and either accept a bona fide offer from a qualified entity to purchase or declare under penalty of perjury in writing to the qualified entity or entities and the department on a form approved by the department that, if the property is not sold pursuant to this section during the first 180-day period described in this subdivision or the second 180-day period described in subdivision

(l) it will not sell the property for at least five years after the end of the second 180-day period described in subdivision (l). Once a bona fide offer is made, the owner shall take all steps reasonably required to renew any expiring housing assistance contract, or extend any available subsidies or use restrictions, if feasible, before the effective date of any expiration or termination. In the event that the owner declines to sell the property to a qualified entity, the owner shall record the declaration with the county in which the property is located immediately after the end of the second 180-day period described in subdivision (l).

(j) When one or more bona fide offers to purchase have been made that meets the requirements of this section and the owner wishes to sell, the owner shall accept the bona fide offer that meets the requirements of this section and execute a purchase agreement within 90 days of receipt of the offer.

(k) The market value of the property shall be determined by negotiation and agreement between the parties. If the parties fail to reach an agreement regarding the market value, the market value shall be determined by an appraisal process initiated by the owner's receipt of the bona fide offer, which shall specifically reference the appraisal process provided by this subdivision as the means for determining the final purchase price. Either the owner or the qualified entity, or both, may request that the fair market value of the property's highest and best use, based on current zoning, be determined by an independent appraiser qualified to perform multifamily housing appraisals, who shall be selected and paid by the requesting party. All appraisers shall possess qualifications equivalent to those required by the members of the Appraisal Institute and shall be certified by the department as having sufficient experience in appraising comparable rental properties in California. If the appraisals differ by less than 5 percent, the market value and sales price shall be set at the higher appraised value. If the appraisals differ by more than 5 percent, the parties may elect to have the appraisers negotiate a mutually agreeable market value and sales price, or to jointly select a third appraiser, whose determination of market value and the sales price shall be binding.

(l) During the 180-day period following the initial 180-day period required pursuant to subdivision (i), an owner may accept an offer from a person or an entity that does not qualify under subdivision (e). This acceptance shall be made subject to the owner's providing each qualified entity that made a bona fide offer to purchase the first opportunity to purchase the development at the same terms and conditions as the pending offer to purchase, unless these terms and conditions are modified by mutual consent. The owner shall notify in writing the department and those qualified entities of the terms and conditions of the pending offer to purchase, sent by registered or certified mail, return receipt requested. A qualified entity shall have 30 days from the date the notice is mailed to submit a bona fide offer to purchase and that offer shall be accepted by the owner. The owner shall not be required to comply with the provisions of this subdivision if the person or the entity making the offer during this time period agrees to maintain the development

for persons and families of very low, low, and moderate income in accordance with paragraph (2) of subdivision (e). The owner shall notify the department regarding how the buyer is meeting the requirements of paragraph (2) of subdivision (e).

(m) This section does not apply to any of the following: a government taking by eminent domain or negotiated purchase; a forced sale pursuant to a foreclosure; a transfer by gift, devise, or operation of law; a sale to a person who would be included within the table of descent and distribution if there were to be a death intestate of an owner; or an owner who certifies, under penalty of perjury, the existence of a financial emergency during the period covered by the offer to purchase requiring immediate access to the proceeds of the sale of the development. The certification shall be made pursuant to subdivision (p).

(n) Prior to the close of escrow, an owner selling, leasing, or otherwise disposing of a development to a purchaser who does not qualify under subdivision (e) shall certify under penalty of perjury that the owner has complied with all provisions of this section and Section 65863.10. This certification shall be recorded and shall contain a legal description of the property, shall be indexed to the name of the owner as grantor, and may be relied upon by good faith purchasers and encumbrances for value and without notice of a failure to comply with the provisions of this section.

A person or entity acting solely in the capacity of an escrow agent for the transfer of real property subject to this section shall not be liable for any failure to comply with this section unless the escrow agent either had actual knowledge of the requirements of this section or acted contrary to written escrow instructions concerning the provisions of this section.

(o) The department shall undertake the following responsibilities and duties:

(1) Maintain a form containing a summary of rights and obligations under this section and make that information available to owners of assisted housing developments as well as to tenant associations, local nonprofit organizations, regional or national nonprofit organizations, public agencies, and other entities with an interest in preserving the state's subsidized housing.

(2) Compile, maintain, and update a list of entities in subdivision (d) that have either contacted the department with an expressed interest in purchasing a development in the subject area or have been identified by the department as potentially having an interest in participating in a right-of-first-refusal program. The department shall publicize the existence of the list statewide. Upon receipt of a notice of intent under Section 65863.10, the department shall make the list available to the owner proposing the termination, prepayment, or removal of government assistance or to the owner of an assisted housing development in which there will be the expiration of rental restrictions. If the department does not make the list available at any time, the owner shall only be required to send a written copy of the opportunity to submit an offer to purchase notice to the qualified entities which directly

contact the owner and to post a copy of the notice in the common area pursuant to subdivision (g).

(3) (A) Monitor compliance with this section and Sections 65863.10 and 65863.13 by owners of assisted housing developments and, notwithstanding Section 10231.5, provide a report to the Legislature, which may be combined with the report submitted pursuant of Section 50408 of the Health and Safety Code, on or before December 31 of each year, containing information for the previous fiscal year, except that the report due December 31, 2022, shall include information for the 18 months from January 1, 2021, to June 30, 2022, inclusive, that includes, but is not limited to, the following:

(i) The number of properties and rental units subject to this section and Sections 65863.10 and 65863.13.

(ii) The number of properties and units that did any of the following:

(I) Complied with the requirements of this section and Sections 65863.10 and 65863.13.

(II) Failed to comply with the requirements of this section and Sections 65863.10 and 65863.13.

(III) Were offered for sale and therefore subject to the purchase right provisions of this section.

(IV) Were offered for sale and complied with the purchase right provisions of this section and the outcomes of the purchase right actions, including whether the property changed hands, to whom, and with what impact on affordability protections.

(V) Were offered for sale and failed to comply with the purchase right provisions of this section, the reason for their failure to comply, and the impact of their failure to comply on the affordability protections and the tenants who were residing in the property at the time of the failure.

(VI) Claimed exemptions from the obligations of this section pursuant to Section 65863.13 by category of reason for exemption.

(VII) Claimed exemptions from the obligations of this section and lost affordability protections and the impact on the tenants of the loss of the affordability protections.

(VIII) Were not offered for sale and complied with the requirement to properly execute and record a declaration.

(IX) Were not for sale and failed to comply with the requirement to properly execute and record a declaration.

(B) To facilitate the department's compliance monitoring owners of assisted housing developments in which at least 25 percent of the units on the property are subject to affordability restrictions or a rent or mortgage subsidy contract shall certify compliance with this section and Sections 65863.10 and 65863.13 to the department annually, under penalty of perjury, in a form as required by the department.

(C) The report required to be submitted pursuant to this paragraph shall be submitted in compliance with Section 9795.

(4) Refer violations of this section and Sections 65863.10 and 65863.13 to the Attorney General for appropriate enforcement action.

(p) (1) The provisions of this section may be enforced either in law or in equity by any qualified entity entitled to exercise the opportunity to purchase and right of first refusal under this section or any tenant association at the property or any affected public entity that has been adversely affected by an owner's failure to comply with this section. In any judicial action brought pursuant to this subdivision, the court may waive any bond requirement and may award attorney's fees and costs to a prevailing plaintiff.

(2) An owner may rely on the statements, claims, or representations of any person or entity that the person or entity is a qualified entity as specified in subdivision (d), unless the owner has actual knowledge that the purchaser is not a qualified entity.

(3) If the person or entity is not an entity as specified in subdivision (d), that fact, in the absence of actual knowledge as described in paragraph (2), shall not give rise to any claim against the owner for a violation of this section.

(q) It is the intent of the Legislature that the provisions of this section are in addition to, but not preemptive of, applicable federal laws governing the sale or other disposition of a development that would result in either (1) a discontinuance of its use as an assisted housing development or (2) the termination or expiration of any low-income use restrictions that apply to the development.

(r) This section does not apply to either of the following:

(1) An assisted housing development as described in clause (iv) of subparagraph (M) of paragraph (3) of subdivision (a) of Section 65863.10 in which 25 percent or less of the units are subject to affordability restrictions.

(2) An assisted housing development in which 25 percent or less of the units are subject to affordability restrictions that was developed in compliance with a local ordinance, charter amendment, specific plan, resolution, or other land use policy or regulation requiring that a housing development contain a fixed percentage of units affordable to extremely low, very low, low-, or moderate-income households.

(s) The department shall comply with any obligations under this section through the use of standards, forms, and definitions adopted by the department. The department may review, adopt, amend, and repeal the standards, forms, or definitions to implement this section. Any standards, forms, or definitions adopted to implement this section shall not be subject to Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2.

SEC. 12. Section 18214 of the Health and Safety Code is amended to read:

18214. (a) "Mobilehome park" is any area or tract of land where two or more lots are rented or leased, held out for rent or lease, or were formerly held out for rent or lease and later converted to a subdivision, cooperative, condominium, or other form of resident ownership, to accommodate manufactured homes, mobilehomes, or recreational vehicles used for human habitation. The rental paid for a manufactured home, a mobilehome, or a

recreational vehicle shall be deemed to include rental for the lot it occupies. This subdivision shall not be construed to authorize the rental of a mobilehome park space for the accommodation of a recreational vehicle in violation of Section 798.22 of the Civil Code.

(b) Notwithstanding subdivision (a), employee housing that has obtained a permit to operate pursuant to the Employee Housing Act (Part 1 (commencing with Section 17000)) and that both meets the criteria of Section 17021.6 and is comprised of two or more lots or units held out for lease or rent or provided as a term or condition of employment shall not be deemed a mobilehome park for the purposes of the requirement to obtain an initial or annual permit to operate or pay any related fees required by this part.

(c) Notwithstanding subdivision (a), an area or tract of land shall not be deemed a mobilehome park if the structures on it consist of residential structures that are rented or leased, or held out for rent or lease, if those residential structures meet both of the following requirements:

(1) The residential structures are manufactured homes constructed pursuant to the National Manufactured Housing Construction and Safety Act of 1974 (42 U.S.C. Sec. 5401 et seq.) or mobilehomes containing two or more dwelling units for human habitation.

(2) Those manufactured homes or mobilehomes have been approved by a city, county, or city and county pursuant to subdivision (e) of Section 17951 as an alternate which is at least the equivalent to the requirements prescribed in the California Building Standards Code or Part 1.5 (commencing with Section 17910) in performance, safety, and for the protection of life and health.

(d) Notwithstanding subdivision (a), an area or tract of land shall not be deemed a mobilehome park due to the rental or lease of an accessory dwelling unit created by use of a manufactured home, as defined in Section 65852.2 of the Government Code.

SEC. 13. Section 34178.8 is added to the Health and Safety Code, to read:

34178.8. (a) Notwithstanding Section 33411.3, whenever all or any portion of a redevelopment project was developed with low- or moderate-income housing units and whenever any low- or moderate-income housing units were developed with any redevelopment agency assistance or pursuant to Section 33413, the redevelopment agency's housing successor designated under Section 34176 shall require by contract or other appropriate means that the housing be made available for rent or purchase to the persons and families of low or moderate income displaced by the redevelopment project and to a person of low or moderate income who is a descendant of the person displaced by the redevelopment project and who, at the time of displacement, was not living in the household or had not yet been born. Those persons and families shall be given priority in renting or buying that housing. However, failure to give that priority shall not affect the validity of title to real property. The redevelopment agency's housing successor shall keep a list of persons and families of low and moderate income who

are to be given priority pursuant to this section, and may establish reasonable rules for determining the order or priority on the list.

(b) For purposes of this section, “descendant” shall have the meaning provided in Section 6205 of the Probate Code.

SEC. 14. The changes made to paragraph (3) of subdivision (j) of Section 65589.5 of the Government Code enacted by this act are declaratory of current law.

SEC. 15. Section 8.1 of this bill incorporates amendments to Section 65589.5 of the Government Code proposed by both this bill and Senate Bill 8. That section of this bill shall only become operative if (1) both bills are enacted and become effective on or before January 1, 2022, (2) each bill amends Section 65589.5 of the Government Code, and (3) this bill is enacted after Senate Bill 8, in which case Section 8 of this bill shall not become operative.

SEC. 16. If the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
